Genesee Valley News | Mrs. Odenborg Returns From Overseas Vacation

Mrs. Delos Odenborg returned home Nov. 25th after an enjoyable 3-week trip to Great Britian, Germany, Belgium and France.

Together with her brother-in-law, and niece, Harold and Shirley Brincken of Latah, Wa. they left Seattle by plane, arriving in London on Nov. 4th, where they were met at Heathrow airport by Lt. Matthew Gable and Doris' sister, Jean. Jean had been with their son-in-law and daughter, Marie since early October, awaiting the arrival of the Gable's

A daughter, Erin, was born Oct. 26 joining a brother, Jason, 3.

Lt. Gable is an F-4 Pilot stationed vith the U.S. Airforce at Brampton, England, and was to receive his Captain's rating Dec. 2nd.

Several days were spent in and around Brampton, including a day at Cambridge, and 4 days in London by the Brinckens and Doris. then sailed from Harwick on Nov. 12th on the Ferry "Hamlet" to Hamburg, Germany. From Hamburg they traveled by train to Biende, West Germany for a several days visit with an uncle and several aunts of Harold's. From Biende, a bus ride tour was taken to Paris where 4 days were spent enjoying the sights. The group arrived back in England on Nov. 22, after a day and night in Hamburg, and another 20-hour trip on the Ferry.

This was quite an experience as the North Sea was especially rough

on the return trip. Everywhere the people were quite interested in how our new president was going to do—especially the peo-ple in Great Britian, who were inclined to compare Ronald Reagan and Margaret Thatcher.

The weather was cold and rainy at first, with snow in some areas, but had moderated considerably before Doris left there.

The Brinckens' will return home on December 9th. - bTvi Jsoon
