Vegetables Require **Good Garden Site**

Clifton Anderson, Associate Agricultural Editor

Moscow—Ideally, the site you select for your garden should be a sunny piece of level land close to a source of water.

"Vegetables can be grown on steep slope if it is terraced, but the garden will be more expensive to establish and harder to maintain than on level ground," said Dr. Mi-chael Colt, UI extension horticul-

As far as soil type is concerned, well-drained loom will grow the best

"If you have poor drainage it can be improved by constructing raised beds. Soil can simply be mounded up 6 to 12 inches higher than the surrounding beds 2 to 4 feet high. Run the beds north and south so both sides will receive an equal am-

ount of sunshine," Colt said.

To improve soils that contain too much sand or clay, University of Idaho horticulturists recommend the addition of organic matter such as manure or compost.

Organic matter should be worked in a couple of months before planting so it will have time to decompose and release its nutrients. To maintain soil fertility, it is advisable to mix in a pound and a half of 16-20-0 fertilizer or 5 pounds of 5-10-5 fertilizer for every 100 square feet be-

fore planting.

Avoid tilling the soil when it is overly wet, Colt advises.
"Work the soil when

when it not wet. Squeeze a handful of soil into a ball to test moisture content. If the ball crumbles when you push it with your thumb, the soil is ready to work," he said.

The Living Among The Dead -

By Pastor David Schlewitz Kendrick Assembly of God

"Now upon the first day of the week, very early in the morning, they came unto the sepulchre, bringing the spices which they had prepared, and certain others with them. And they found the stone rolled away from the sepulchre. And they entered in, and found not the body of the Lord Jesus. And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments; and as they were afraid, and bowed down their faces to the earth, they said to them, Why seek ye the living among the dead? (Lu 24:1-5)."

There were several things that critics can never explain away about our Lord Jesus 1) His incredible impact upon history 2) fullfilled prophecy concerning His ministry

This great Resurrection truth is of tremendous importance to you and me. We, too, await a resurrection. One occurs in this present physical life when we are born again by God's Spirit. Paul put it like this: "And you hath he quickened, who were dead in trespasses and cline (From 2.1)"
