

Dusty rose lighted candles in brass candelabra and baskets of burgundy and dusty rose flowers provided the setting at Cameron Lutheran Church for the evening wedding Sept. 11 of Karen Russak and Mike Silflow.

The bride is the daughter of Steven and Bea Russak, Orofino. The bridegroom's parents are Roy and Doris Silflow, Kendrick.

The double ring ceremony was performed by Pastor John Blom.

"The Wedding Song" was sung by soloist Bonnie Lawrence, accompanied at the organ by Ruth Slind, who also played the traditional wedding music.

John Silflow and Richard Silflow, brothers of the groom, were candlelighters. Ushers were Mike Russak and Jim Silflow, brothers of the bride and groom.

Given in marriage by her father, the bride wore a floor length gown of white lace over satin. The dress was designed with a fitted bodice with a sweetheart neckline scalloped in lace and long tapering lace sleeves. The skirt was made of tiers of lace ruffles. Rhinestones and pearls trimmed the waist and neckline of the dress and also the white satin cap which held her fingertip illusion veil in place. She carried a bouquet of dusty rose, burgundy and white flowers attached to a white fan from which cascaded burgundy silk streamers.

Marcie McNeil Stanton was her

friends Matron of Honor. Bridesmaids were Edna Reed Brewer, Debbie Silflow, Moscow and Diane Silflow, Spokane, both sisters of the groom. They wore matching floor length gowns of dusty rose chiffon and carried matching bouquets of burgundy and dusty rose corsages. They wore corsages of the same colors in their hair.

Doug Silflow was his brother's best man. Other attendants were Darold Stanton, Randy Silflow and Bob Parks. The groom was dressed in a white suit and shirt. His attendants were dressed in white suits and white shirts accented with burgundy trim.

A wedding reception was held in the church fellowship hall following the ceremony. The three-tier wedding cake was decorated in pink and burgundy assembled around a sparkling lighted fountain. Serving the cake, punch and coffee were groom's aunt Gladys Whiting, Toots Glenn and Jean Wegner. Baskets of burgundy and dusty pink silk flowers flanked the serving table.

Following a wedding trip to Seattle, Victoria and Vancouver, B. C., the couple is at home near Kendrick where the groom is engaged in farming.

The bride is a 1981 graduate of Orofino High School and Stylette Beauty College in Lewiston. The groom is a 1975 graduate of Kendrick High School.

### Kendrick Grange Met October 5

Worthy Master Ross Armitage conducted the business meeting of Kendrick Grange No. 412 on Tuesday, October 5, in the Kendrick Grange Hall.

The first order of the meeting was that Kendrick Grange is proud to announce two State Winners in the Stuffed Toy Contest as judged by the Idaho State Grange.

The winners, in the 5 to 14 year class were:

The Lecturer's portion of the program was very ably conducted by Grace Ingle on the topic, "Thought to improve our Grange".

Hospitality committee for the evening, Ruth and Howard Hoffman, Vera Hutcheson, Eugene Taylor and Betty Cowger, served a most interesting and tasty lunch.

See you Oct. 19, don't forget!

### Surplus Cheese, Butter Available Oct. 15

Mary Hunter, distributor for this area's surplus food reports that the pick-up for October will begin on Friday October 15 in the evening.

Cheese and butter may be picked up at her home in Kendrick through Monday October 18.

People who get home delivery of the foods can expect that delivery sometime during this period also.

Hunter urges those people who are eligible to be prompt in picking up the cheese and butter as it is perishable.

### Potlatch Blanks Tigers 27-0

The Potlatch Loggers capitalized on one interception and two fumbles by the Kendrick Tigers and combined those with a strong defense last Friday night to defeat the Tiger 27-0 on the Logger field. The loss dropped the KHS team record to 0-6 for the season.

The Potlatch team scored two touchdowns early in the first quarter and then were content to play defensive ball the remainder of the half.

Potlatch scored on a 54 yard pass play in the third period and on a 20 yard run in the final quarter.

Tigers at the Kibbie Dome Friday Night

Kendrick will pack up and go to Moscow this Friday night when they meet the Nezperce Indians in a contest at the Kibbie Dome on the University of Idaho campus. Kendrick will play the second game of a double-header.

### Kendrick FFA Plans Fund Raising Event

The Kendrick High School FFA Chapter is sponsoring a fund-raising activity which they hope many members of the community will wish to get involved with.

There will be a weekend—two days and 1 night in Seattle, Nov. 27 and 28 offered by the FFA Chapter. The package includes the air fare from the Moscow-Pullman airport, transportation to and motel accommodations in the DoubleTree Inn. The trip was originally scheduled to include the Seattle Seahawk vs. Pittsburgh Steelers football game. The tickets are paid for and if the strike is over in time, the game will still be included. If not, think of the weekend as a chance to do some early Christmas shopping or visit friends and relatives.

Tickets are only \$5 each. If you are interested, please contact any FFA member or drop by the school office to purchase a ticket. The drawing will be held at halftime of the Kendrick vs. Troy Girls basketball game Nov. 9. You need not be present to win.

Thank you very much for your support.

### Genesee Stops Huskies 20-14

Tied 6-all at the end of the first half, the Genesee Bulldogs scored two touchdowns in the final two periods to take a 20-14 win over the Highland Huskies at Craigmont last Friday night.

With the score tied at the end of the first half, Ron Reynolds scored from two yards out early in the third period to give the Bulldogs a 12-6 lead.

Later in the same quarter, Doug Stout connected with Al Roach on a 62-yard pass play and Jeff Becker banged across the two-point conversion to give Genesee its margin.

Bulldog running back Dave Burt, Jeff Becker and Rick Vestal all rushed for over 70 yards each that night to help Genesee pick up 257 yards on the ground.

Genesee, which dedicated the game to offensive tackle Joey Jacobs, after Jacobs had knee surgery earlier this week, will play host to Troy this Friday in a homecoming game.

Genesee and Troy are unbeaten in league play.

### Cameron A. L. C. W. Entertained Senior Citizens

Approximately fifty senior citizens met at the Senior Center Monday afternoon, Oct. 11 as guests of the Cameron Emmanuel Lutheran A. L. C. W. The Center was beautifully decorated with Halloween motifs—black and orange streamers were everywhere, the table center pieces were mums, leaves and Fall vegetables. A black cat (Virginia Jacobson), a witch (Marie Fey), a scarecrow (Loeda Reil) and Dracula (Shari Silflow) were busy greeting everyone and making each feel welcome and even giving some a little scare, just in fun.

Delicious refreshments of pie, coffee and cider were served by the ladies who did the entertaining.

Loeda Reil gave a reading on the life of Christopher Columbus, as it was Columbus Day.

Mary Ann Chase and Sue Severson sang, "He Touched Me," and "He Was There All The Time," accompanied by Ruth Slind at the piano.

Ruth Slind played two beautiful selections on the piano, "Autumn Leaves," and "My Sweet Little Ailee Gown."

Hostesses were Doris Silflow, Mary Ann Chase, Marie Fey, Virginia Jacobson, Ruth Slind, Loeda Reil, Sue Severson, Shari Silflow. Junior hostesses: Cindy Chase, and Jamie Silflow.

Jr. Host: Jason Silflow.

It was a lovely day and greatly appreciated by the senior citizens.

Thank you from each of us.

Sue Craig, reporter

### Robert B. Pratt, Local Businessman, Claimed by Cancer

Kendrick businessman Robert B. Pratt lost his long battle with cancer last Tuesday morning, October 5, and died at his home here. He had been ill since December, 1980. He was 57.

He was the former owner and operator of the Kendrick Welding Shop and Kendrick's Union Oil Service station.

He had different jobs before buying business in Kendrick. From 1945 to 1948, he was a warehouseman for General Petroleum Co. in Lewiston, then he worked for a year as an apprentice mechanic for the Solberg-Currie Oldsmobile dealership in Lewiston.

After that, he was a warehouseman for Potlatch Corp., and farmed in the Kendrick and Southwick areas. From 1966 to 1968, he was a heavy equipment operator for the Clearwater National Forest. In 1968, he took over the Kendrick Welding Shop and the next year he moved it into the Union Oil Service station.

He was born Dec. 8, 1924, in Marshfield, Oregon to Harry and Marguerite Pratt. Both parents preceded him in death. The family moved to Lewiston in 1927.

He graduated from Lewiston High School in 1943. In August of that year he enlisted in the U. S. Army Air Corps.

He served until October 14, 1945, flying 35 combat missions over Europe as B-17 crew member. He was awarded an air medal and four oak leaf clusters and a European Theatre of Operations ribbon with battle stars.

Pratt received his private pilot's license in 1970, and was an amateur radio operator since 1959. He also was an avid hunter and fisherman.

He married Lucille Berlinghoff in Lewiston August 26, 1945.

In addition to his wife, survivors include two sons, Robert of Nezperce and Douglas of Susanville, Calif.; a daughter, Beverly Gilliam of Culedeac; four sisters, Leah Alberts of Aurora, Ore., Marguerite Parsley of Grants Pass, Ore., Esther Dodel of Lewiston and Louise Hines, Clarkston; six grandchildren and 2 step-grandchildren.

The funeral was held Thursday, October 7, at 11:00 a. m., at Malcom's Brower-Wann Memorial Chapel in Lewiston with Gale Uppendahl officiating. Organist was Norm Sandburg.

Honorary casket bearers were: Jim Otrembiak, Lloyd Farrington, Don Sumpter, C. R. Little, Murray Starchert, Dennis Carlson, Leroy Carlson, Warney May, Jr., Bill Rogers, Al Henry, Walt Heitmann, Jack Browning, Dave Carlson and Clyde Holen. The body was cremated.

The family suggest memorials to the American Cancer Society or to the Juliaetta-Kendrick Ambulance fund.

### C. W. POST NEWS—

C. W. Post again keeps you posted on the latest happenings. A reminder to all—the season has turned to Fall and brings with it Genesee's Homecoming football game against Troy, October 15, at 7:30. All week long activities have been going on to obtain more school spirit and we're proud to say we've done it. We ask that you, the public, come join us in cheering our great team to victory. It should be a terrific game.

**School Activities—**  
 October 11, is Counselors Day. Counselors from the surrounding area will meet at L. C. S. C. to learn more about the program and financial aid that Idaho colleges have to offer. This information will then be relayed back to the students so they too will be aware of what Idaho colleges have available. Our very own Mrs. Kathy Walker will be there to represent G. H. S.

**Senior Day—**  
 Senior day this year, as in many years before, will be held on the U. of I. campus. Seniors from G. H. S. and other surrounding high schools will meet Oct. 19 at 9:00 and go through three sessions, each lasting an hour. Every student has his or her choice of the three sessions that they will see. All of Idaho's colleges, private and state funded, will have representatives there who will make the 60-minute presentations about each individual college. This day gives students, who plan on furthering their education, a chance to get a closer look at and maybe come to a decision on choosing a college. Mrs. Walker, our school counselor, will be going with the Seniors to aid them in choosing the presentations each student wishes to attend.

**Elementary News—**  
 Starting this week C. W. Post will begin its coverage of the activities in grades Kindergarten, 1-6. In this article we will try to inform you, the readers, on the many subjects each class is learning about.  
 Beginning this week we will cover the Kindergarten. Mrs. Dorothy Todd is the Kindergarten teacher; there are 28 students in the class. The typical morning in Kindergarten consists of learning the many aspects of Reading and Math. So far this year they have been learning the sounds and names of the alphabet, they now are learning about colors and rhyming skills. They are also learning about beginning math. They are now learning how to recognize shapes and designs.  
 Afternoon activities consist of Library on Mondays; Music on Tuesday, and Current Events on Wednesday. At other times they are involved in Science and Physical activities, other things involve painting and coloring. They are also learning about the many aspects to oral hygiene. The C. W. Post hopes that the rest of the year goes well for the Kindergarten.  
 By Lynn Nelson

**Third Graders—**  
 Members of the third grade are: Mike Barkhuff, Kim Bielenberg, Danielle Crawford, Kathy Cvancara, Jenny Denner, Chad, Emerson, Mindy Esser, Kim Geitz, Sara Hampton, Brian Hill, Heidi Hopkins, Rance Knoke, Eric Loomis, Sonny Lorentz, Jason Mayer, Matt McCorkle, Jay Moyer, Lisa Odenborg, Tina Reynolds, Andy Rosch, Stacy Wagar, Marci Zenner.

**Am. Legion, Auxiliary To Meet October 20**  
 The next regular meetings of the American Legion and the Legion Auxiliary will be held at 7:30 p. m. Wednesday, October 20th at the Legion Hall, Genesee. New co-presidents, of the Auxiliary, Dorothy Anderson and Barbara Carbuhr urge a good attendance as many important items will be discussed. A newsletter has been sent to all members.  
 The Veteran's Day dinner will be held on November 7th with a social hour at 5:30 p. m. followed by a potluck buffet dinner at 6:30. Our Boys and Girls Staters will be on the program.  
 The Fall Fashion Show and Luncheon is scheduled for November 20. Please watch the Gazette News for further information.

**Housewarming**  
 Jim and Peggy (Bennett) Deveaux, who recently purchased and moved into the John Luedke farm house east of Genesee, were honored with a no-host housewarming Saturday night given by friends and relatives of the couple.  
 A pleasant social evening was enjoyed and refreshments served.  
 We're happy to welcome Jim and Peggy to Genesee.

**KNOW WHEN TO CONTACT SOCIAL SECURITY**  
 People in the Whitman-Latah Co. area should be aware of the times when they should contact a Social Security office, Ila Andrews, Social Security Field Representative in Pullman, Washington said recently. Knowing when to contact Social Security is important. Sometimes, a delay in applying can mean a permanent loss of benefits. Or, it could mean that checks may be delayed at a time when the income is important.  
 The first time most people contact Social Security is when they want to apply for a Social Security number. At that time, a person will need proof of age, identity, and citizenship or immigrant status. A person 18 or older must apply in person.  
 Other times when Social Security should be contacted are:  
 \* When a person becomes disabled,

to find out if disability benefits can be paid.

\* When a family member dies, to see if survivor benefits can be paid. Also when a widow or widower reaches 60.  
 \* At retirement, at 62 or later, to apply for retirement benefits.  
 \* Two or three months before 65 to arrange for Medicare health insurance protection, even if there are no plans for retirement.  
 \* To get the answer to any question about Social Security.  
 The people at the Pullman Social Security office will be glad to provide all the help a person needs with Social Security. They have many free publications which explain the benefits payable under Social Security.

#### Genesee Upset by Potlatch

Genesee—Friday, October 1, 1982.  
 The Genesee Bulldogs were stunned

in the White Pine League contest 32-28 by the Potlatch Loggers.

Genesee opened the game fast. The Bulldogs took the opening kick off and marched 76 yards for their first score, a one yard plunge by Rick Vestal.

Joe Cvancara caught the extra point pass from quarterback Doug Stout. This gave Genesee an 8-0 lead. Late in the first quarter, Stout intercepted a Rich Kerns pass and raced 24 yards for another Bulldog touchdown. The extra point failed, but this gave Genesee a 14-0 advantage.

In the second quarter Rick Ves-

tal broke loose for a 62 yard touch-down run, and Stout provided the extra point conversion.

Minutes later, Dave Burt scored on an 8 yard dash, but the extra point failed. This gave Genesee a commanding 28-0 lead.

Potlatch roared back with 14 second quarter points to make it 28-14 at halftime.

In the second half, the Potlatch defense grew stronger, holding the Bulldogs to just one first down in the final two periods.

The Genesee defense did the opposite, allowing Potlatch to score, 18 second half points including the game winning touchdown pass, a 16 yarder from Rich Kerns to Jim Shepard.

The loss drops Genesee to 3-2 overall, while Potlatch climbs to 2-3.

#### FHA Initiation

The Genesee FHA Chapter has started off the 1982-83 year with initiation of the incoming freshmen girls.

The informal initiation preceded the formal initiation. The senior FHA members picked their "little sisters" and led the freshmen through the day-long initiation Wednesday, September 29.

The last step of the freshmen's initiation into the Genesee FHA chapter was the formal initiation on Monday, October 4, 1982. The ceremony was conducted by the FHA president, Traci Stout along with the other officers. The freshmen received their FHA ribbon pins from their senior "big sisters." Cake, punch and coffee were served after the closing of the formal initiation ceremony. The ten new members welcomed into the Genesee FHA Chapter for 1982-83 are as follows:

Wendy Allen, Heidi Boehl, Leslie Danielson, Gena Grieser, Christy Feigenbutz, Shelly Hopkins, Wendy McCurdy, Marla Miller, Lisa Smith, Lynn Marie Wilson.

#### THE RETURN OF JAWS

Lewiston A little jawing after an elk hunt? Most sportsmen don't need any encouragement in this past time.

But this season, the Fish and Game Department is requiring elk hunters in certain units to do some jawing of a different sort. "We're asking hunters who take elk in Units 4, 6, 7, 9, 10, 12, 15 and 16 to keep the lower jaw with the carcass while in transit," said Regional Wildlife Manager Sam McNeill.

Biologists can determine the age of an elk from its teeth. This information will be used to estimate each herd's growth and harvest rate. "We set season lengths and permit numbers according to these factors," said McNeill.

So far, compliance with the new jaw regulation has been poor. But McNeill hopes elk hunters will start to cooperate for the benefit of the elk and themselves. "The more jaws we receive, the better we'll be able to manage the herds in these eight units. So the hunter only stands to gain from working with us on this."

#### CONSTITUTIONAL AMENDMENTS (Continued)

electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 7, Article 1, of the Constitution of the State of Idaho be amended to provide for waiver of jury trials in felony criminal cases when consented to by all parties in open court?"

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE  
 S.J.R. No. 112  
 Meaning and Purpose

The purpose of this proposed amendment to Section 7, Article 1, of the Constitution of the State of Idaho is to permit waiver of jury trials in felony criminal cases when consented to by all parties in open court.

Effect of Adoption

If this amendment is adopted, a defendant who pleads not guilty to a felony charge will be allowed to waive a jury trial and have his case tried before the court without a jury.

Statements FOR the Proposed Amendment

1. This amendment does not affect a citizen's right to a jury trial; the right to a jury trial is still guaranteed.

2. Defendants in misdemeanor actions presently have the right to waive a jury trial; this amendment will extend the same right to felony actions.

3. Occasionally, the only reason for proceeding with a jury trial is to preserve an appealable issue, such as a motion to suppress evidence. In such instances the jury trial is essentially a waste of time because the defendant's guilt is clear, but the trial must be held so that an appeal can be taken to a higher court.

4. Allowing waiver of jury trials will result in significant savings in the operation of the courts.

Statements AGAINST the Proposed Amendment

1. Particularly in felony cases, community standards should be weighed by laymen to determine innocence or guilt. Eliminating jury trials in felony cases will further reduce citizen participation in the justice system.

2. The chance of a judge and a prosecuting attorney acting to "pressure" a defendant into waiving a jury trial will be a real danger if this amendment is adopted.

#### FRENCH FOR KIDS AN OTHER CLASSES START SOON

CONSTITUTIONAL AMENDMENTS

Eight amendment to the Idaho Constitution will appear on the general election ballot. They have been proposed to the people for ratification following action by the legislature.

The amendment proposals, the Legislative Council's statements of meaning and purpose, and the statements for and against are listed as follows:

H.J.R. No. 2

Section 6, Article V, of the Constitution of the State of Idaho is amended to read as follows:

SECTION 6. SUPREME COURT - NUMBER OF JUSTICES - TERM OF OFFICE - CALLING OF DISTRICT JUDGE TO SIT WITH COURT.

The Supreme Court shall consist of five justices, a majority of whom shall be necessary to make a quorum or pronounce a decision. If a justice of the Supreme Court shall be disqualified from sitting in a cause before said court, or be unable to sit therein, by reason of illness or absence, the said court may call a district judge to sit in said court on the hearing of such cause.

The justices of the Supreme Court shall be elected by the electors of the state at large. The terms of office of the justices of the Supreme Court, except as in this article otherwise provided, shall be six years.

The justices of the Supreme Court shall, immediately after the first election under this constitution, be selected by lot, so that one shall hold his office for the term of two years, one for the term of four years, and one for the term of six years. The lots shall be drawn by the justices of the Supreme Court, who shall, for that purpose, assemble at the seat of government, and they shall cause the result thereof to be certified to by the secretary of state and filed in his office. The justice having the shortest term to serve, not holding his office by appointment or election to fill a vacancy, shall be chief justice, and shall preside at all terms of the court, and, in case of his absence, the justice having in like manner the next shortest term to serve shall preside in his stead.

The chief justice shall be selected from among the justices of the Supreme Court by a majority vote of the justices. His term of office shall be four years. When a vacancy in the office of chief justice occurs, a chief justice shall be selected for a full four year term. The chief justice shall be the executive head of the judicial system.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 6, Article V, of the Constitution of the State of Idaho be amended to provide for the selection of the chief justice, who shall be the executive head of the judicial system, from among the justices of the Supreme Court by majority vote for a term of four years?"

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

H.J.R. No. 2  
Meaning and Purpose  
The purpose of this proposed amendment to Section 6, Article V, of the Constitution of the State of Idaho is to provide that the Chief Justice of the Idaho Supreme Court be selected by and from the justices of the Supreme Court for a term of four years.

Effect of Adoption  
If this amendment is adopted, the method for choosing the Chief Justice of the Idaho Supreme Court will change. All justices of the Supreme Court will continue to be elected by the people for six year terms. At present, the elected justice with the shortest time to serve is automatically the Chief Justice. This requirement causes very short terms as Chief Justice, as there have been eight Chief Justices in the past nine years. This new provision will allow the five justices to select one justice to serve as Chief Justice for a four year term.

Statements FOR the Proposed Amendment

1. By providing a definite, fixed term of office for the Chief Justice, this amendment will ensure consistent, stable leadership for the entire judicial system, which is administered by the Supreme Court and the Chief Justice.

2. This amendment will structure the administration of the judicial system in a manner similar to that of the executive branch of government, in that each will be headed by an officer holding his office for a four year term.

3. This amendment will provide a means for having a Chief Justice who is skilled in administrative matters, as recognized by his associates, rather than requiring the justice with the shortest remaining term to function as the Chief Justice, regardless of whether he wants the position.

4. This amendment will not increase the cost of the judicial branch of state government; in fact, it should tend to keep the costs of government under much tighter control, since a single, consistent policy of administration can be implemented and maintained during a four year term.

Statements AGAINST the Proposed Amendment

1. There is no need to change the method for selecting the Chief Justice. The present system has served very well since Statehood, and has kept the judicial system on an even course.

2. The judicial system need not be organized like the executive departments, since the courts serve an entirely different purpose.

3. Judges and justices should not be too tightly bound by an administrative network under the direction of a permanent Chief Justice; the judges need to be impartial and reasonably independent as they decide the people's business in the courts.

H.J.R. No. 7

Section 3, Article VI, of the Constitution of the State of Idaho is amended to read as follows:

SECTION 3. DISQUALIFICATION OF CERTAIN PERSONS.

No person is permitted to vote, serve as a juror, or hold any civil office who is under guardianship, idiotic or insane, or who has, at any place, been convicted of treason, a felony, embezzlement of the public funds, bartering or selling, or offering to barter or sell his vote, or purchasing or offering to purchase the vote of another, or other infamous crime, and who has not been restored to the rights of citizenship, or who, at the time of such election, is confined in prison on conviction of a criminal offense, or who is a bigamist or polygamist, or is living in what is known as patriarchal, plural or celestial marriage, or in violation of any law of this state, or of the United States, forbidding any such crime, or who, in any manner, teaches, advises, counsels, aids, or encourages any person to enter into bigamy, polygamy, or such patriarchal, plural, or celestial marriage, or to live in violation of any such law, or to commit any such crime, or who is a member of, or contributes to the support, aid, or encouragement of, any order, organization, association, corporation, or society, which teaches, advises, counsels, encourages, or aids any person to enter into bigamy, polygamy or such patriarchal or plural marriage, or which teaches or advises that the laws of this state prescribing rules of civil conduct, are not the supreme law of the state.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 3, Article VI, of the Constitution of the State of Idaho be amended to eliminate obsolete references to the disqualification from voting, serving as jurors, and holding civil office of persons who are idiotic or insane, or persons who commit specified offenses, and of persons living in or advocating celestial or patriarchal marriage?"

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

H.J.R. No. 7  
Meaning and Purpose  
The purpose of this proposed amendment to Section 3, Article VI, of the Constitution of the State of Idaho is to remove certain language relating to disqualifications to vote, serve as a juror, and hold civil office.

These disqualifications apply to: (1) idiotic and insane persons; (2) persons who have been convicted of specified crimes including treason, embezzlement of public funds, bartering or selling or offering to barter or sell one's vote, purchasing the vote of another, bigamy or polygamy, or other infamous crimes; and (3) persons who practice or advocate celestial or patriarchal marriage.

Effect of Adoption

If this amendment is adopted, persons who have been convicted of a felony and have not had citizenship rights restored, or persons who are confined in prison on conviction of a criminal offense, will continue to be disqualified from voting, from serving on a jury, and from holding civil office. Crimes which will constitute felonies will be specified by law. The reference to persons living in or advocating celestial or patriarchal marriage will be eliminated. The reference to persons who are idiotic or insane will be eliminated.

Statements FOR the Proposed Amendment

1. This amendment will eliminate language from the Idaho Constitution which is clearly archaic, redundant and in some cases discriminatory.

2. The crimes listed separately for disqualification to vote are felonies as established by law and need not be singled out by this section of the Constitution.

3. The disqualification of the idiotic and insane calls for a judgment by election officials which they are probably not qualified to make.

4. Reference to persons living in or advocating celestial or patriarchal marriage should be eliminated from the Constitution, since it is a statement of religious discrimination and is an insult to a large number of the State's citizens. The prohibition against such persons voting, serving as jurors, or holding civil office has not been enforced, and could not be enforced in light of other federal and state constitutional guarantees of religious freedom. The reference to bigamy and polygamy, which are felonies under state law, should be eliminated since the reference is redundant.

Statements AGAINST the Proposed Amendment

1. This proposed amendment will not change the current administration of the election laws nor the rights of individuals as citizens. Although some of the language may be archaic, it is not causing any harm and doesn't require tampering with at this time.

H.J.R. No. 14

Section 2, Article VI, of the Constitution of the State of Idaho is amended to read as follows:

SECTION 2. QUALIFICATIONS OF ELECTORS. Except as in this article otherwise provided, every male or female citizen of the United States, twenty-one years of age, who has actually resided in this state or territory for six months, and in the county where he or she offers to vote, thirty days next preceding the day of elections for the period of time provided by law, if registered as provided by law, is a qualified elector; provided, however, that every citizen of the United States, twenty-one years of age, who has actually resided in this state for sixty days next preceding the day of election, if registered as required by law, is a qualified elector for the sole purpose of voting for presidential electors; and until otherwise provided by the legislature, women who have the qualifications prescribed in this article may continue to hold such school offices and vote at such school elections as provided by the laws of Idaho territory.

The purpose of this proposed amendment to Section 2, Article VI, of the Constitution of the State of Idaho is to make voting age and residency requirements consistent with both the provisions of the United States Constitution and with recent United States Supreme Court decisions, and to give the Legislature authority to set residency requirements for voting purposes.

Effect of Adoption

If this amendment is adopted, Section 2, Article VI, of the Constitution of the State of Idaho will conform with controlling federal constitutional law. Because the federal constitutional law is already in effect, the updating of Section 2, Article VI, for conformance will have no real effect on the laws currently in force in Idaho. This amendment will change the voting age from 21 to 18 years of age to conform with the 26th amendment to the United States Constitution, remove residency requirements, and remove limitations on women's rights to hold office and

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

H.J.R. No. 14  
Meaning and Purpose

The purpose of this proposed amendment to Article VIII, of the Constitution of the State of Idaho is to authorize the Legislature to enact laws to give counties or cities the power to create public corporations to issue industrial revenue bonds for certain types of businesses and industries.

Effect of Adoption

If this amendment is adopted, the Legislature will be able to enact laws authorizing the creation of public corporations by counties or cities for the purpose of issuing nonrecourse industrial revenue bonds. These bonds could be used to finance limited types of industrial facilities including manufacturing, processing, production, assembly, warehousing, solid waste disposal, recreation and energy facilities, excluding facilities to transmit, distribute or produce electrical energy. The bonds issued pursuant to this amendment will be paid off entirely from revenues earned by the industrial projects financed by the bonds. The bond debt will not be payable from, or secured by, tax funds or government revenues, and will not be secured in any way by the full faith and credit of the State of Idaho or any subdivision of the State. The 1982 Legislature passed

legislation authorizing the cities or counties to create public corporations, however, that legislation will become law only if this amendment is approved by the voters.

Statements FOR the Proposed Amendment

1. This amendment will change the voting age from 21 to 18 years of age. The amendment will, therefore, bring the constitution of the State of Idaho up to date regarding voting age law.

2. The United States Supreme Court has declared residency requirements of more than 30 days unconstitutional. This amendment will remove such unconstitutional residency requirements from Idaho's Constitution.

3. This amendment will give the Legislature authority to set residency requirements by statute. This will make it possible to change a residency requirement without going through the costly, cumbersome and lengthy constitutional amendment process.

4. This amendment will remove antiquated and patently unconstitutional language restricting women's rights to hold office and to

Statements AGAINST the Proposed Amendment

1. This proposed amendment will remove the constitutional residency provision and give the Legislature the power to set residency requirements by statute. This shift of authority clearly conflicts with the specific intent of the constitutional drafters who intended that residency periods be set by constitutional provision.

H.J.R. No. 17

Article VIII, of the Constitution of the State of Idaho is amended by the addition of a NEW SECTION, to be known and designated as Section 5, Article VIII, and to read as follows:

SECTION 5. SPECIAL REVENUE FINANCING. The legislature may enact laws authorizing the creation of public corporations by counties or cities to issue nonrecourse revenue bonds or other nonrecourse revenue obligations and to apply the proceeds thereof in the manner and for the purposes heretofore or hereafter authorized by law, subject to the following limitations:

Nonrecourse revenue bonds and other nonrecourse revenue obligations issued pursuant to this section shall be payable only from money or other property received as a result of projects financed by the nonrecourse revenue bonds or other nonrecourse revenue obligations and from money and other property received from private sources.

Nonrecourse revenue bonds and other nonrecourse revenue obligations issued pursuant to this section shall not be payable from or secured by any tax funds or governmental revenue or by all or part of the faith and credit of the state or any political subdivisions.

Nonrecourse revenue bonds or other nonrecourse revenue obligations issued pursuant to this section may be issued only if the issuer certifies that it reasonably believes that the interest paid on the bonds or obligations will be exempt from income taxation by the federal government.

Nonrecourse revenue bonds or other nonrecourse revenue obligations may only be used to finance industrial development facilities consisting of manufacturing, processing, production, assembly, warehousing, solid waste disposal, recreation and energy facilities, excluding facilities to transmit, distribute or produce electrical energy.

The counties or cities shall never exercise their respective attributes of sovereignty including, but not limited to, the power to tax, the power of eminent domain, and the police power on behalf of any industrial development project authorized pursuant to this section.

Sections 2, 3 and 4 of Article VIII shall not be construed as a limitation upon the authority granted by this section. The proceeds of revenue bonds and other revenue obligations issued pursuant to this section for the purpose of financing privately owned property or loans to private persons or corporations shall be subject to audit by the state but shall not otherwise be deemed to be public money or public property for purposes of this constitution. This section is supplemental to and shall not be construed as a repeal or limitation on any other authority lawfully exercisable under the constitution and laws of this state, including, among others, an existing authority to issue revenue bonds.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Article VIII of the Constitution of the State of Idaho be amended by the addition of a new Section 5, to grant to the legislature the power to authorize counties or cities the right to issue nonrecourse revenue bonds to be used only to finance industrial development projects limited to manufacturing, processing, production, assembly, warehousing, solid waste disposal, recreation and energy facilities, excluding facilities to transmit, distribute or produce electrical energy, provided, that such revenue bonds shall be payable from revenue derived from the industrial developments financed thereby and shall not be secured by the full faith and credit or the taxing power of the state or any other political subdivision; and provided that no political entity shall exercise in any way their powers for the benefit of any such industrial development?"

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

The bond debt will not be payable from, or secured by, tax funds or government revenues, and will not be secured in any way by the full faith and credit of the State of Idaho or any subdivision of the State. The 1982 Legislature passed

Statements FOR the Proposed Amendment

1. In some instances the death of parents of a family-owned farm, or business forces the heirs to sell the enterprise to pay federal estate tax. Adoption of the amendment will family-owned enterprises a chance to incorporate or recapitalize, providing means for passing the equity descendants in tax-free gifts, while parents retain management control and an income.

2. The ability to issue non-voting common stock will give corporate management a means to let employees participate in the profits of the company without involving them in ownership decisions.

3. Under existing Constitutional requirements, Idaho corporations are required to use cumulative voting in the election of directors. Consequently, many businesses now incorporate in other states to avoid this requirement. This results in costly inconveniences to the businesses and lost revenue to Idaho's economy. Adoption of this amendment will permit the Legislature to amend laws to give corporations a choice between straight

legislation authorizing the cities or counties to create public corporations, however, that legislation will become law only if this amendment is approved by the voters.

Statements FOR the Proposed Amendment

1. Because the interest payments from industrial revenue bonds are tax free, the interest rate offered to investors to achieve marketability will be lower than on conventional bonds. This will result in lower interest expense to the business entity and improve profit margins which will in turn encourage investment in new businesses, plants and equipment, and create jobs for Idahoans.

2. Idaho is currently the only state that does not allow some form of general purpose industrial revenue bonding. The lack of such bonding places Idaho at a competitive disadvantage, as compared with other states, when trying to recruit new business and industry.

3. Provisions in this amendment restrict the types of industrial projects which may qualify for industrial revenue bonding. This will help Idaho avoid the abuses and excesses which have occurred in other states.

4. The types of industries qualified to receive funds raised by the sale of industrial revenue bonds are labor intensive to create the maximum number of new jobs for Idahoans.

5. Idahoans, at the local level, can exert influence over the type and size of industry locating in their area through the use of industrial revenue bonds.

6. The issuance of a revenue bond by a public corporation created by a city or county does not, in any way, obligate the city or county or any taxpayers residing within that political subdivision.

7. The industrial facility financed by industrial revenue bonds and the money earned by the facility remain under private control. This amendment does not create additional governmental bureaucracy to run the facility.

8. New industry and new jobs increase the tax base and lighten the tax burden for the present taxpayers.

Statements AGAINST the Proposed Amendment

1. Money directed to industrial revenue bond issues tends to dry up investment funds available for municipal bonds making it more difficult for a city or county to issue municipal bonds for needed civic projects or financial emergencies.

2. Because the interest on the industrial revenue bonds is tax free at the federal and state levels, the bonds shift the tax burden from the business entities and investors to the general taxpayer.

3. The authorized uses for bonds in this amendment are too restrictive because this type of bond cannot be issued for producing electrical energy or establishing retail stores.

4. Idaho has been one of the fastest growing states for the past decade. Idaho may not need industrial revenue bond capability to attract new industry.

S.J.R. No. 110

Section 4, Article XI, of the Constitution of the State of Idaho is amended by the addition of a new SECTION, to be known and designated as Section 4, Article XI, of the Constitution of the State of Idaho and to read as follows:

SECTION 4. CUMULATIVE VOTING. The Legislature shall not prohibit corporations from electing directors by cumulative voting.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 4, Article XI of the Constitution of the State of Idaho be amended to prohibit the Legislature from electing directors by cumulative voting?"

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

H.J.R. No. 18  
Meaning and Purpose

The purpose of this proposed amendment to Section 4, Article XI, of the Constitution of the State of Idaho is to require the State Board of Land Commissioners to manage endowment lands and other lands acquired by the State of Idaho from the United States government for the maximum long term financial return, to prohibit the sale of state lands for less than the appraised price of those lands, and to authorize the exchange of state lands for other private or governmental entities.

Effect of Adoption  
If this amendment is adopted, the constitutional standard for managing endowment and other lands granted to or acquired by the State of Idaho from the federal government will change. At present, endowment lands are managed to "secure the maximum possible amount therefor." This amendment will change that standard and require management to secure the "maximum long term financial return." This amendment will also add a constitutional standard for sales and exchanges of state lands.

Statements FOR the Proposed Amendment

1. This amendment will formally spell out in the State Constitution a management practice that the State Board of Land Commissioners uses in managing the State's endowment lands. The State Board of Land Commissioners manages the endowment lands to receive the maximum long-term financial return instead of the short-term benefit.

2. The maximum long-term financial return to the State of Idaho from the management of state-owned lands could be significantly different than the maximum possible amount received from the lands. Requiring that the State Board of Land Commissioners manage lands to receive the maximum amount of return over a period of years will promote efficient, cost-effective far-sighted management practices, and allow the State of Idaho to realize the maximum financial return possible from the sale or rental of state lands.

3. By providing that state lands shall not be sold for less than the appraised price, the State of Idaho will avoid subsidizing individuals or institutions by selling lands for less than the appraised price when the sale of particular lands generates little interest or few bidders.

4. The provision allowing exchange of state lands on an equal value basis for lands owned by entities other than the State of Idaho will allow the State Board of Land Commissioners to exchange lands so that blocks of land could be put together for wildlife management, park, recreation areas or resource development areas which otherwise

Statements AGAINST the Proposed Amendment

1. The change to a four year term will have a tendency to make the office of prosecuting attorney too political.

2. The present two year term provides a good "probationary" period for public evaluation of the prosecuting attorney.

S.J.R. No. 112

Section 7, Article I, of the Constitution of the State of Idaho is amended to read as follows:

SECTION 7. RIGHT TO TRIAL BY JURY. The right of trial by jury shall remain inviolate; but in civil actions, three-fourths of the jury may render a verdict, and the legislature may provide that in all cases of misdemeanors five-sixths of the jury may render a verdict. A trial by jury may be waived in all criminal cases not amounting to felony, by the consent of both all parties, expressed in open court, and in civil actions, by the consent of the parties, signified in such manner as may be prescribed by law. In civil actions the jury may consist of twelve or of any number less than twelve upon which the parties may agree in open court. Provided, that in cases of misdemeanor and in civil actions within the jurisdiction of any court inferior to the district court, the jury shall consist of not more than six.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 7, Article I, of the Constitution of the State of Idaho be amended to provide for the selection of the chief justice, who shall be the executive head of the judicial system, from among the justices of the Supreme Court by majority vote for a term of four years?"

The purpose of this proposed amendment to Section 7, Article I, of the Constitution of the State of Idaho is to provide a four year term for county prosecuting attorneys instead of the present two year term.

Effect of Adoption

If this amendment is adopted, the term of office of a prosecuting attorney will be changed from two years to four years, commencing with the general election in 1984.

Statements FOR the Proposed Amendment

1. The longer term of office will reduce the high rate of turnover in the office and thereby increase the stability of the criminal justice system by providing more continuity.

2. The longer term will encourage attorneys to enter the field of criminal prosecution as a career rather than using the office as a two-year training period for public practice.

3. The additional two years are necessary for a prosecuting attorney to organize the office to function at peak effectiveness.

4. The longer term will encourage more experienced attorneys to seek the office, since experienced attorneys are rather hesitant to risk their private practices for a position that may last only two years.

5. Almost all of the other county elective offices are four year terms; this amendment will make the prosecuting attorney's term consistent with other county offices.

Statements AGAINST the Proposed Amendment

1. The change to a four year term will have a tendency to make the office of prosecuting attorney too political.

2. The present two year term provides a good "probationary" period for public evaluation of the prosecuting attorney.

through not occur. Lands received through these exchanges must be equal in value to the lands given up. Statements AGAINST the Proposed Amendment

Statements FOR the Proposed Amendment

1. This proposed amendment is unnecessary as the State Board of Land Commissioners now administers the State's endowment lands in a manner that will secure the maximum long term financial return to the institution for which they are granted. It is provided by statute that the State Board of Land Commissioners shall not sell state lands under bid for less than the minimum price set by the board. This has traditionally been for at least the appraised price. It is statutorily provided that the State Board of Land Commissioners may exchange state lands on an equal basis with private and governmental entities.

2. While it is not the intent of the amendment, wording in this amendment may preclude the State of Idaho from acquiring land from the federal government and devoting it to a purpose that would not secure the maximum long term financial return to the State. This could prevent the State of Idaho from acquiring land from the federal government and converting that land into a state park or a fish and game preserve if that use does not secure the maximum long-term financial return to the State of Idaho.

3. This amendment substitutes the phrase "maximum long-term financial return" for a phrase that has been interpreted by the courts. This substitution may eliminate nearly a century of case law regarding the State's endowment lands. Also, the phrase "maximum long-term financial return" is highly ambiguous.

4. While not the intent of the amendment, the wording of this proposed amendment could possibly endanger certain existing state parks and wildlife refuges which had been granted to the State of Idaho by the United States government. Lands containing certain state parks and wildlife refuges were granted to the State of Idaho by the United States specifically for use as parks or wildlife refuges. If a court were to find that the use of these lands as state parks or wildlife refuges is not securing the maximum long-term financial return to the State and hence in violation of the State Constitution, title to the lands could revert to the United States Government.

H.J.R. No. 15

Section 18, Article V, of the Constitution of the State of Idaho is amended to read as follows:

SECTION 18. PROSECUTING ATTORNEYS - TERM OF OFFICE - QUALIFICATIONS. A prosecuting attorney shall be elected for each organized county in the state, by the qualified electors of such county, and shall hold office for the term of two years, and commencing with the general election in 1984 shall hold office for the term of four years, and shall perform such duties as may be prescribed by law; he shall be a practicing attorney at law, and a resident and elector of the county for which he is elected. He shall receive such compensation for services as may be fixed by law.

The question to be submitted to the electors of the State of Idaho at the next general election shall be as follows:

"Shall Section 18, Article V, of the Constitution of the State of Idaho be amended to provide for a term of four years commencing in 1984 for the prosecuting attorney of a county?"

The purpose of this proposed amendment to Section 18, Article V, of the Constitution of the State of Idaho is to provide a four year term for county prosecuting attorneys instead of the present two year term.

Effect of Adoption  
If this amendment is adopted, the term of office of a prosecuting attorney will be changed from two years to four years, commencing with the general election in 1984.

Statements FOR the Proposed Amendment

1. The longer term of office will reduce the high rate of turnover in the office and thereby increase the stability of the criminal justice system by providing more continuity.

2. The longer term will encourage attorneys to enter the field of criminal prosecution as a career rather than using the office as a two-year training period for public practice.

3. The additional two years are necessary for a prosecuting attorney to organize the office to function at peak effectiveness.

4. The longer term will encourage more experienced attorneys to seek the office, since experienced attorneys are rather hesitant to risk their private practices for a position that may last only two years.

5. Almost all of the other county elective offices are four year terms; this amendment will make the prosecuting attorney's term consistent with other county offices.

Statements AGAINST the Proposed Amendment

1. The change to a four year term will have a tendency to make the office of prosecuting attorney too political.

2. The present two year term provides a good "probationary" period for public evaluation of the prosecuting attorney.

## Open House

Sponsored by the Cottonwood Creek Community Church, a lovely afternoon for all friends of Mr. and Mrs. Glen Stevens was held at their newly remodeled home on Hubbard Gulch. This couple has given years of faithful help as active members of this thriving community church! Marjory with her music, and both, singing! Their example of Christian living sets a pattern for all who know them.

The guest book was signed by 67, including small children of several couples. Mother Mrs. Effie Powell, now residing with the family, was honored also, pictures being taken of the three, besides the beautiful cake and other refreshments furnished and served by the church ladies.

Altogether, splendid gathering. Young Neil Williams provided splendid piano music for the group, for a period, during the 2 to 5 p. m. hrs. "Jim" Steigers returned Sunday afternoon from Spokane where he spent the last week attending the Religious Festival which is held each year at various parts of the U. S. A. and Canada. He reported a wonderful time.

Granddaughters are wonderful. At least that's the tune your reporter and spouse are singing. Jody spent last week at Pullman helping daughter and son-in-law, Barbara and Dean Kinzer get started with new baby, daughter Joy Valerie.

Mrs. Thelma Stratton returned from the Portland area Sunday. She had accompanied Jean Ringage, who had been visiting in the area, to her home in Portland and remained to visit family in the area.

**CARD OF THANKS**

I wish to thank my relatives and friends for all their kindness and well wishes given me while in the hospital and also at home. Thank you to those who came to the hospital to visit me, for the phone calls and cards and for the food brought in. Your thoughtfulness is deeply appreciated.
