

A Thanksgiving Thought— "Where are the Nine?"

David E. Schlewitz, Pastor
Kendrick Assembly of God

There is nothing worse than an ingrate! The ingrate never sees good things! He is like the poorly oiled machine that constantly produces a whine! We read in Luke 17:11-17 an interesting story. One day ten lepers asked Jesus to have mercy on them and He did. He healed them all. Only one returned to give thanks. Think of it! A terrible disease, rejected, outcasts, condemned, ready to die. And Jesus healed them! But only one of the lepers returned to give his thanks to Jesus. The others turned their backs and left without expressing their gratitude!

Friends, God expects believers to be a grateful people. We read in Colossians 3:15 to "be ye thankful". It is a recurring theme in the Bible. God wants us to be a grateful people. And we know that a thankful heart will do something for us! It's the mark of a contented person. It puts a cork in the bottle of covetousness, and fosters Christlike graces. It creates a rich fertile garden in which even more fertile roses can flourish!

You may say, "What have I to be thankful for?" Well, sit down and try what the songwriter urged, "Count your blessings name them one by one; And it will surprise you what the Lord hath done!"

The Jordan River makes its way south into Israel, filling the Sea of Galilee. A lake that teems with life. Then it flows on south and empties into the Dead Sea. Why is it called the Dead Sea? Because there are no outlets from it. It stagnates right there. No fish, no one drinks from it, it is bitter and salty. It's dead! Why? It has no outlets! Ingratitude is like that. Rivers of blessing flow in, nothing of praise flows out! Christ's words here are piercing: "Were there not ten cleansed? But where are the nine?" Let's ask ourselves, "Am I among the nine?"

Let's be the people of God! Let's have grateful hearts, all the year! And be like David who said, "Bless the Lord, O my soul, and forget not all His benefits (Psa 103:2)"

Senior Citizens Enjoyed Early Thanksgiving Dinner

A delicious ham dinner was served at the meal site Monday, Nov. 22 in observance of Thanksgiving. The tables were filled as 87 people were served.

A program of music with Ruth Slind at the piano and Margaret Cox of Avon and Betty Chisholm of Lewiston as vocalists was greatly enjoyed. Margaret Cox, dressed in an old fashioned costume reminiscent of burlesque days, sang, "Second Hand Rose," a piano solo by Ruth Slind, "Worthy Is the Land," and melody of other music was enjoyed. Margaret and Betty sang, "His Name Is Wonderful," "Count Your Blessings" and "My Hero". Both are accomplished whistlers and whistled parts of one song. As a final number, Margaret sang the prayer, "Hold Thou My Hand".

We are so fortunate to have such fine talent and for them to share their time with us. Thank you from all the senior citizens. We love you! This meeting concluded our "Weather or Not" contest. November 13, the G. H. S. girls basketball team played Lapwai. They played well but their shots didn't go in. Lapwai had a little more speed but we had the potential to shoot better but we were too nervous. Even though G. H. S. played well Lapwai played a little bit better and won.

November 16, the girls played Kendrick. They played three great quarters but in the 4th they didn't look as good. They couldn't line up their shots, Kendrick was shooting great that half. Even though the Bulldogs went through a slump that half they still had a victory.

Lunch Hour Is Favorite Hour

This week the feature article is on the GHS cooks and all the trouble they go through to get the rowdy students through the day. Mrs. Shirley Hill, Mrs. Pat Flodin, and assistant Jan Hasfurther are the main people responsible for this amazing feat.

When asked why they liked cooking, the unanimous reason given was that they like to be with students. They enjoy being and seeing the kids and talking to them. They commented that basically the kids are o. k., but you always have your share of wise-cracks that you learn to live with. The only problem the cooks have with the kids is the fact that every now and then there seems to be a bad case of kids taking the silverware and not returning them. Mrs. Flodin is taking classes once a week at LCSC in a course of Food Service.

Stony Point

Nellie Dean Steigers

Friendship Club— The Nov. 18 meeting of the Stony-point Friendship Club held a peasurable and busy day of work for the hostess, Mrs. Ruth Heimgartner. A pre-Thanksgiving meal was served at noon to 11 members; one lady guest, Vernie Harri, and husband Bill Harri of Clarkston, plus the man of the house, Wayne Heimgartner.

Next meeting is scheduled for Dec. 2 at the Juliaetta home of Nell Heimgartner, as hostess. Donation articles for the "Children's Home" are to be collected at this meeting for Christmas gifts. Neal Hoisington was a Sunday visitor of his parents. According to Bea, a small amount of Sunday morning's snow still remained on Sunday evening, when called, so perhaps winter is on its way.

Leah Fliger Now 16 Years!— Miss Leah Fliger of Lewiston celebrated her 16th birthday at her home in Lewiston on Friday, Nov. 19. Grandmother Erma Stevens was present for this milestone. On Sunday afternoon Erma, with Eldon and Gertrude Heimgartner visited Mother Myrtle at the Lewiston Care Center, finding her enjoying life, and later visited the Clarkston Custers.

To Boise— Mrs. Lynda Steigers, Lapwai Instructor, with four of her pupils, attended the Idaho Association of Student Councils, held at Boise. The group departed from Lapwai Wednesday afternoon, Nov. 17, and returned home on Saturday afternoon and evening, Nov. 20, driving a school conveyance. They were joined on Saturday by a school head from Lapwai.

Sunday late afternoon, Nov. 21st, callers in the Ernest Steigers home were brother Alvin and wife Mabel of Gifford, coming to inquire as to Ernest's health. They found him much improved from a recent severe bronchial asthma condition. A trip to his Lewiston physician on Monday, Nov. 15, with "shot" and numerous prescriptions, proved successful. A follow-up appointment for Monday, Nov. 22, for safety sake, was given.

Loses Her Grandmother— The Lloyd Stevens family visited Patty's mother, Edna Greene, at the Lewiston Care Center, and others while there; later, during the past week, Patti suffered the loss of her beloved grandmother, Mrs. Mae Greene, at the age of 88. Patti lived with this grandmother at times, when young, and dearly loved and admired her. The blind for some years, this brave lady retained her cheerfulness and bright wits until her death! She will be sorely missed by all who knew her! A good example to others!

Mr. and Mrs. Leslie Heimgartner visited in the Clearwater area, on Sunday, Nov. 21, at the homes of daughter, Jenny Lyons, and son, Tim Straw. All enjoyed supper together at Tim's home.

Next week's issue should be filled with much news of Thanksgiving gatherings and, perhaps, some "new babies" might have arrived! (Unless the old stork has his own plans as to when to deliver.)

The Happy Home Club annual Bear Ridge Christmas dinner will be at the Community Hall, Sunday, December 19. All residents of the ridge are invited.

Grace Ingle attended an executive board meeting of the Latah County Pioneers on Friday, and planning meetings for the Kendrick and Latah-Pomona Granges Wednesday and Sunday.

Ruthie and Jay Dee Wilson visited with Lucille and Jerry Ingle Tuesday evening.

Larry, Karl, and Jerry Galloway spent Sunday with Edna Galloway helping get things winterized.

Christmas Mailing Tips Offered

With the Christmas mailing season just ahead, Postmasters, Leslie Wilson, Genesee and Don Chrystal, Kendrick are offering tips for customers to assure that their cards and packages arrive on time and in good shape.

In addition to shopping and mailing early, customers are urged to properly address cards and packages with the name, house number and street or (post office box number) and the city, state and ZIP Code reserved for the last line.

"It is also a good idea to put a slip of paper with the recipient's name and address and your return address inside parcels and be sure the addressing on the outside of the parcel includes your return address and ZIP Code, Wilson and Chrystal said.

Customers are also reminded to check the size of their envelopes before mailing Christmas and other holiday cards. Letter size standards require that envelopes be at least 3 1/2 inches high and 5 inches long to be accepted for mailing.

The postal service is also asking customers to put an ounce of extra care in preparing parcel post and other packages for mailing. Parcels will arrive at their intended destination in good shape if mailers will follow a few simple suggestions:

CUSHION: Make sure contents are well-cushioned and there is no empty space in the box. Use crumpled newspaper around the item—including all sides, top and bottom. Commercially available foam shells or air-pocket padding also make good cushioning materials.

DON'T OVERWRAP: Just use your carton. Brown paper and twine cord are not necessary. Paper can rip, and twine will become entangled in processing equipment.

SEAL PROPERLY: Close your parcel with one of the three recommended types of tape; pressure sensitive, nylon-reinforced kraft paper, or glass-reinforced pressure sensitive.

AVOID SMUDGES: Use smudge-proof ink for your addressing.

POSITION ADDRESSES PROPERLY: Put the recipient's address in the lower right portion of the container. Put your return address in the upper left hand corner. Remove all other labels from the box.

USE ZIP CODES: Be sure to include the ZIP Code in both the recipient's and your return address.

TIME IT RIGHT: Mail early in the month and early in the day.

USE THE RIGHT SERVICE: Irreplaceable items, such as cash and other valuables, should be sent by registered mail.

IF YOU RUN OUT OF TIME: Priority Mail affords First-Class

**News from
 Kendrick High School**

Spotlight—

The people of Kendrick noticed a new talent Saturday night at the Deary-Kendrick girls' basketball game.
 Her name is Kelly Cooper, a 5.5 sophomore that is very aggressive on the court, as many of us found out.
 The crowd seemed very pleased with the new star, they chanted Coop almost the whole second half.
 I asked the Coop a couple of questions on how she felt about being the only sophomore on the varsity team. She replied by saying, "I feel good about being on varsity, but it is scary at times."
 I then asked the varsity coach Jay Henderson how he feels about the young sophomore. He said that he likes having a younger girl on the team. It gives him hopes for the future.
 So watch out you opposing teams.
 Troy Hewett

English

On Tues., the vo-ag II class of Kendrick high school went on a field trip to Stilson meats in Lewiston to watch them cut up a pig. Mr. Dirksen, the Kendrick FFA chapter advisor said, "the kids seem to remember the cuts a little bit better if they see the cut being made."
 Tom Gibbons

Boys JV BB Team

The boys JV basketball team are getting in gear for the 1982-83 season. The team has been working on ball skills, offense and defense. Each practice has included lots of conditioning. For those who survive the pre-season, the games will be a breeze. Anyway, the team members are working hard and looking forward to the winning season that's coming up.

F. F. A. Chapter Sweetheart

The Kendrick F. F. A. chapter is holding an election for a chapter sweetheart. The classes will come up with three candidates. The students will vote by putting a penny a vote in a ballot box. The one with the most money wins and for a prize gets a white F. F. A. jacket with her name on it. The winner will be crowned at the F. F. A. dance held in the shop building Dec. 18th.

Sophomores—Accounting I

This year, once again, Mr. Henderson's accounting classes are involved in the Stock Market Game. The students break up into groups containing 3 to 5 people. Each group is given \$100,000 to buy New York and American stocks. The game is played for 10 weeks and during this time the students can sell or buy different stocks at their own choice. The kids are having a lot of fun.

Weight Losing Program

This week Mrs. Monroe is starting something new. A weight losing program. This is for girls wanting to lose 5 or more pounds. This is not concentration on exercising it is concentrating on nutrition. The students are expected to count calories every day. Mrs. Monroe and Mrs. Ruby Hawkins gives them a chart of calories and weighs them every Tuesday.

Thanksgiving is Here

by Rebecca Emery
 Thanksgiving is here. Turkeys are roasting in the oven. The smells of pumpkin, apple and cherry pie float on the air. Cooks work in the kitchen all day. Relatives are invited over for Thanksgiving dinner and people make sure that their lonely or old friends that live alone have a place to go for Thanksgiving dinner. Some people skip breakfast to make room for dinner.
 At school bulletin boards are adorned with turkeys, pilgrims and Indians. Everyone has been telling

**Thanksgiving
 Long Ago**

The little girl woke early, She had no time to play, Everyone was busy It was Thanksgiving Day.

The pumpkin and the mince pies Were cooling on the kitchen table top Everyone was rushing 'round, The old wood stove was hot.

There were cakes up in the cupboard Molasses cookies in the jar The salads are all finished Jams and jellies taken from the jar. And put in the best glass dishes Oh what a pretty sight. The table stretched as far as it would go With a cloth of snowy white.

The plates and knives and forks She set around just so The straight backed chairs were all in place As far as they would go.

There were benches behind the table Even apple boxes made a seat The family's all a-comin' home And must have a place to eat.

Ran out to the cellar And get the cider Dear Through the snow she dashes Without a single care.

She peeks into the oven Oh, what a delicious smell The turkey brown and crusty With stuffin' all around, Sweet taters bubble in fresh churner butter Topped with sugar brown and sweet. Oh, how can a little girl wait till time to eat?

She runs outside to listen Does she hear the sleigh bells ring? She sees the horses prancing as—as they pull the sled Everyone is waving and are their noses red!

They all just seem to tumble out Hugs and kisses all around. It's a snowing harder now Piling up on the ground.

The horses must be in the barn and fed Before anyone can eat. The boys come back from a-running Stomping snow off from their feet.

At last they are all seated From the biggest to the small, They join hands to form a circle Then Papa asks the blessing And ask God to protect them all.

That Thanksgiving so many, many years ago And the little girl was me. I bow my head and close my eyes And it all comes back to me.

Now days we live in an entirely different world At least that's what I think. We have modern homes with electric heat And hot water in the sink.

The circle has long been broken But I'm thankful as I can be For memories that brings those days so long ago With these dear ones So clearly back to me.
 —Sue Craig, Nov. 1982

German Club Chili Feed

The K. H. S. German Club will be holding a chili feed on Friday, Dec. 3, at the high school. The feed will consist of savory home-made chili, hot garlic bread, punch, and a wide variety of scrumptious desserts. It will be served from 4:30 to 6:30, before the basketball game. Prices: 6 and under: \$1.50; individual: \$2.50; family: \$10.00. During the feed and during the basketball game, Tiger cushions will be available for \$4.50 each. Advent calendars will be sold for \$3.00 through the 1st of December. There's real German chocolate behind every day of the month, so it's a great gift for children. Thanks for your support in helping our club earn it's way to Germany.

Thanksgiving is Here

by Rebecca Emery
 "Thanksgiving here," the turkeys cry "Gobble, gobble, me oh my!"
 "Thanksgiving's here," the Indian yells Dreaming about the kitchen smells.
 "Thanksgiving's here," cries the boy, Telling all, friend and toy.
 "Thanksgiving's here!" cries the girl Dressing up dolls, brushing a curl.
 The table is loaded with pies and meat So everyone begins to eat.

**OUR BEST WISHES
 FOR A VERY
 HAPPY THANKSGIVING**

Once again it is the season for the traditionally American time of Thanksgiving. It is that period when set aside each year to reflect on the many blessings and comforts which we enjoy each day.

Even though our nation, and the world, may seem to be in a difficult position with much trouble and many problems; there is still much we can be grateful for as we gather with our family and friends on this special Thursday.

As we gather with our families on Nov. 25, let us be grateful to God for their continued good health and the warmth of their love. Let us be grateful for the friendship and support of our friends and the privilege of living in this good community.

It is the sincere hope of all of us, that all each and every one of you feel the same spirit of the Thanksgiving season that we will enjoy.
