Except for several frosty nights, our weather has remained calmer, and Spring does seem to have finally arrived. Farm work progresses.

With the farming operations, come accidents. Ray levans, brother-in-law of Lee Heath, was seriously injured in a tractor and machinery accident while at work recently. A hospital stay, with grave concern felt for his welfare, seems to be coming along safely, at present.

Our good friend, Beatrice Hoisington, has returned to St. Joseph's Hospital, for closer care of her heart problems. As of Sunday evening blanket which was sponsored by Ray they attended the Sr. Citizen's lunch she was "off the oxygen and doing Holes Saddle Co. of Grangeville. and County Talent contest, after nicely", Katy reports.

A small new life has arrived safely! Little 6 lb., 9 oz. Miss Brittany Bene, first child for Mr. and Mrs. Rick Steigers of Juliaetta, came at 9:59 p. m., April 15, 1983, at St. Joseph's Hospital in Lewiston! All grandparents and great-grandparents welcome her with open arms!

Winners of Blue Ribbons-At the first round of judging on sewing, Holli and Brady Stevens each won Blue Ribbons on their entries. On the second round (Pomona) level, again each won blue. Brady's will be entered in the State level judging held in May. Modeling his entry of red and tan striped shirt and athletic shorts at the Kendrick Grange meeting Tuesday evening, April 19, with all the family invited, was a "Big Event". Young and old eat, mingle and celebrate together!

Visiting Relatives— Mr. and Mrs. Al Heebner, Spokane have spent some time visiting Stei-ger relatives in this area, and also in Lewiston and Clarkston, with her great-aunt, Margaret Stevens, her Green cousins and then on to Waitsburg to sister Alma Hammond at her home. Mr. and Mrs. Henry Steigers of Puyallup, Wash., arrived in their large motor home for area visiting at the Alvin and Ernest Steigers homes. This elderly couple spent the past several months traveling to and from Arizona, where a daughter resides. Henry seems nicely recovered

from "pace-making" heart surgery, and Susy from a slight stroke. Both are over 80 years young!

In our last article we reported that we started our High School Rodeo Club and we needed to raise \$4,000 and have 12 buckles donated in 3 months.

Well, we didn't do it.
We did it in 2 months! !

We then asked our local merchants to support our team. The response was tremendous. To give an examwas tremendous. To give an example of your support, Kendrick and Juliaetta raised over \$500 for our cause and the members of Lewiston only raised \$400. Almost every merchant donated a little bit to help us along even though half of them couldn't afford it. Our biggest donor or was Gem State who donated a state who donated a
