There were 19 roadrunners that returned Wednesday afternoon from a 17-day, 4300 mile tour of Arizona and Utah.

Local people going were Manning and Elsie Onstott, Elmo and Marge Eldridge, Cecil and Crystal Grueil, and Vi Erickson.

Among the places seen were: Monument Valley, Utah where a jeep tour was taken through the Valley; The Petrified Forest in Arizona, Desert botanical gardens, Phoenix Zoo, a bus ride through Sabino Canyon, visit to the Sonora Desert museum. and Mission San Zazier All Bac in Tuscon, through the painted desert, a 21-mile tour on Ajo mountain where the Organ Pipe Cactus grow. A drive to the Mexican border at Lukeville, a 2-hour pep tour out of Sedona which turned out to be a thrill of a lifetime! through the prehistoric ruins of Montezuma Castle the West rim of Grand Canyon), A two-hour boat ride on Lake Powell at Page Zion National Park, Bryce Canyon and a 2-mile drive through Capitol Reef National Monument.

Many of the cactus were in bloom some had already bloomed, and some were just starting. Everything was beautiful and awe inspiring. The weather cooperated and the only snow we came through was in Montana but everyone agreed that as we returned home via the Lichsa-Idaho is very beautiful too, and the best place in the world to live. Sunday, May 15, fifteen members

of the Utah-Oregon tour met with Elmo and Marge Eldridge for a potluck meal and picture sharing day-all attend church at Juliaetta before dinner.

We missed Crystal Gruell and all pray for her speedy recovery.

Age has no bearing for the deepness of their love; -For after twenty-five years, they Still soar high as a dove.

The third day of the fifth month in nineteen fifty-eight, Was the time they chose each other as their eternal mate.

All the sparkles in their eyes And the smiles they share; Still remain through moments as joys as well as thoughts of despair.

A rose for them, I found in the deep mountain sand; That symbolized the beauty they share, so often, hand in hand.

And to them I dedicated all of Heaven's dreams; Full of cherished desires and rays of a sunshine's beam. Love, Vickie

School Year Drawing to Close The school year is drawing to a close and I would like to say some things about the year. We, as a class, have done really well in Jr. high sports this year. The class has also shown some good work in the classroom as well.

I think, as a whole, our grades did improve. The friends have been important to everyone too. Who can forget the great times and bad times that a person had. The teachers, parents, and community have supported us in a number of situations that have required attention.

On May 21, 1983 the Babe Ruth team played Pomeroy at Kendrick. In the first inning Lance Uppendahl pitched a good first inning. Then we got up to bat and scored one run. Then Pomeroy started to hit off of Lance. They got seven runs and finally we got three outs. In the second inning Brendon Millard got on base. Brendon stole second and then John Gravelle hit him over to third. Then he stole home. The next two innings were a dual. Then came the turning point of the game with base loaded. John Gravelle hit a three run double and the score is 9 to 10 ours. They scored one run so it is tied. Robert Jones stole home to win the game. Jimmy Woods was part to our game by the ball behind the plate.-Brendon
