wash. Sound Good? Call Tidy Car.

If your car is brand new, we'll keep it looking that way. If it's showing its years, we'll clean and shine the years away. Tidy Car's Preserv-A-Shine can do just that—give your car a show room shine and preserve it for the life of the car.

Preserv-A-Shine is not a wax. It's an exclusive formula that's actually buffed into the surface of the car to give a protective glass-like shine that seals out the harmful ffect of oxidaiton, salt, snow and sun.

The Preserve-A-Shine process includes initial treatment and an annual cleaning and rescalant job. And it means you'll never have to wax your car again. Guaranteed in writing
