Two new exhibits at Latah County The new program established by Historical Society

> The Needle's Work: Utility and Beauty in the Home features textiles from the Historical Society's collection and work drawn from Helen Cunningham. The oldest object is a coverlet dating from 1815, woven of cotton and wool in a geometric pattern. There are various types of rag rugs, embroidered kitchen textiles, crocheted pieces, tablecloths and bed linens. Two antique sewing machines will be exhibited. The second exhibit is Historic Postcards with examples from the private collections of Keith Petersen and Steven Talbott. The cards date back to the early 1900 when the postcard fad was at its heighth. Most of the cards have local views of Latah Co. hibit are samples of greeting postcards, the exagerration cards, novelty cards, and an antique postcard projector. The exhibits are at the McConnell Mansion, 110 South Adams, Moscow. Hours are Wednesday through Saturday, 1 to 4 p. m. or by arrangement. Admission is free and donations are welcomed. SEASON OF THE NEWBORN

This is the season of the newborn and all the troubles that go with it,, including loss of sleep and extra calves will be born.

Problems can arise for the newborn even before it leaves the prolems is a calf or lamb in an abnorbirth canal front feet first with the common abnormal presentations include a baby coming backwards hind legs first), upside down, head twisted and a front foot back. Sometimes a baby in normal presentation is too big to come out naturally and must be pulled out manually or taken via caesarean section.

If a newborn calf or lamb is hea-Ithy at birth it still has to deal with many factors that may keep it from surviving the first few days of life. An important factor is the weather. Any weather other than warm, sunny days can put a stress on newborns; and warm, sunny days are hard to come by this time of year. Mostly, we get wet, windy, cold and overcast days combined with even colder nights. Needless to say, animals born inside a barn or shed aren't stressed from the weather as much. However, newborns do amazingly well if they can dry shortly

after birth and are able to stand up and suck within a couple of hours.

The first milk a lamb or calf suckles is very important; not only does it provide the energy necessary for survival but it also provides protective substance that help the newborn combat infections. The first milk a cow or ewe produce is called work for the livestock owner. From colostrom, this milk is loaded with now until summer many lambs and antibodies. Antibodies are large protein complexes that are a major component of the bodies defenses against infective diseases (such as tection of the womb. One of the those caused by viruses and bactermost frequently encountered prob- ia). Lambs and calves have a marvelous digestive mechanism that almal presentation. A normal pre- lows them to absorb these large prosentation in a newborn entering the tein complexes intact, but only for the first 12 to 16 hours of life. After head nestled between the front legs that they digest these protective anand its back pointed toward the tibodies by breaking them down mother's spine. Some of the more (like adults do) which makes them worthless for disease prevention. The ability to absorb antibodies intact rapidly decreases with time; it is therefore important that newborns receive colostrom with in 8 hours after birth and preferably should get their first feeding before they're

Jenny Ann attending and assisting! We wish you the Best of Every-

Held at the Clearwater home of Jenny and Larry Lyons, 2 birthdays were celebrated on Sunday, March 10. Honored were 14 year old Dorieen Straw and her Aunt Bernadette. Leslie and Delores Straw Heimgartner were present, among the large group of relatives.

Barbara and Lee Heimgartner visited with relatives at Kellogg several days during the past week. As Mildred feels good! She enjoyed always, a happy time.

> Bill and Mary Steigers of Lewiston again were Sunday visitors in many fine prepared foods for potluck Mary is feeling stronger every day, her former jolly self!

An unexpected phone call from their son Jim Steigers, from Arizona FIELD SPRINKLER, Electric pump Pie House where a fine meal can be was much enjoyed. Jim sends lov-350' pipe, 150' wiring, \$75. Phone obtained! Son Gordon and his son ing greetings to all his Idaho friends Clark were there at the home place and hopes to see them later this summer, as usual. Idaho summers are more enjoyable than Arizona Wayne and Ruth Heimgartner summers. Winter's there, are fine!

David Steigers and puppy dog were welcome Saturday brief callers of his Cherrylane parents.

Mr. and Mrs. David Talbott and Egyptian friend were Saturday lunday, March 9th, at the Cottonwood ch and evening supper guests at the Creek Community Church was a home of David's sister, Linda Steigers and family. They attended the Thompson-Martin wedding on Saturday afternoon. Jenny-Ann, had recently resided in their home at Moscow for a short period during her transitional period in her life at the U. of I.

> Ken Steigers and son Brant again enjoyed a long Sunday at Snow Haven, near Grangeville.

Demolition of the Cherrylane Warehouse land mark is rumored to be started soon! Long ago the little Box Car Cherrylane Station disappeared in flames! Things come and go-people among them!

Alvin Steigers was an early Monday morning, March 11, caller at Cherrylane, recently returned from the Seattle area.

CARD OF THANKS

A special thanks to Kendrick ambulance service for the prompt, efficient response to the rescue after Charles fell from the tree Saturday, breaking his ankle. Also a special thanks to City Marshall Don Bateman for morale support while waiting for Sue Meske and Dick Benjamin with the ambulance. Your cards, gifts and phone calls have helped Charles stay more pleasant. He is much improved at present and is home. Jean and

letters to the editor...

This letter has been long delayed, out still comes with the utmost grat-

I just want to publicly thank Chuck Lyons for the work he has done concerning the cable system here in Kendrick. I am referring specifically to the problems we've had with the FM radio receiver. Mr. Lyons spent many hours on his own to fix it, and personally I am very grateful!
