DROPPING SIN

By Doug Littleton, Pastor

Kendrick Assembly of God When it came to light that Jimmy Swaggart was involved in sin, many were shocked and mortified. Others were saying I told you so. A dear one of mine asked me why don't I get out of the Assemblies of God, remembering the Jim Bakker scandal. The ramifications of such a leader as Jimmy Swaggart falling into sin are tremendous and world wide. One of the people that the Swaggart Ministries helps to support is Dr. Mark Buntain in Calcutta, India. I just recently had the privilege of speaking with Dr. Buntain in his ervision of Kendrick Lecturer, Ross office, and viewing the work that Armitage. is being done. If you could see the dear children that are fed, you would agree with me that the ministry is legitimate. If contributions drop off, kleson, who is also Kendrick, as far you can see that Swaggart's sin will affect the feeding of many small nungry children. Sin always has its destructive ramifications.

God is judging those who are called by His name. That's why Swaggart is going through the hoops while the inner-city prostitute continues on with business as usual. God wants Christians accountable, accountable for the Gospel that has been given to us.

Jesus stated in Luke 12:48 ". . For unto whosoever much is given, of him shall be much required . . ." What has been given us, is power over sin in our own lives. If we do not appropriate that power, we will message of sin's defeat has no power still in sin! The apostle Peter proclaims of Jesus Christ: "Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness . . ." (2 Peter 2:24). God has given Christians the ability to be dead to sin and to live righteously! If you name the name of Jesus as your Savior, it is time to drop the sin, stop it's ramifications, and represent the Gospel for what it really is; the defeat of sin.
