#### Kendrick-Juliaetta **Mayors Support** Clean-Up Week Goals

The week of May 1 through 7 is the statewide Idaho Spring Cleanthe K-J ambulance to Gritman up. We are promoting the "Idaho Memorial Hospital in Moscow and Is Too Great to Litter" campaign, to culminate on Saturday, May 7 with Community Cleanups through-

out our state. Statistics nationwide have shown that littering, not litter, is the problem we must resolve. People have grown to accept littering as the social norm. Failure to make them understand the consequences of their individual acts leads to automatic such as, "it's not my property, someone else will clean it up."

Not only is litter expensive to pick up, it is just plain ugly; and it detracts from the beauty of our towns, and our state. Let's all of us get into the act, and get our communities cleaned up, and then lets keep them litter free.
