Electrical Storm Knocked Out TV Transmitter Fuse

Lightning strikes during a thunder storm in the area Sunday night or early Monday morning knocked out a fuse on the community television cable transmitter and caused on outage this week, reported cable manager Chas. Lyons. The damage was repaired before noon Monday.

Lyons also said that local cable subscribers may not be getting a signal on chanel 11 (LIF) because the broadcast is undergoing a conversion from a fixed key system to addressable scrambling (whatever that means), so it may be off the air for until the local cable system authorization number gets fed into a computer somewhere.

"HOBY" Seminar at Boise Was Worthwhile Event

Lisa Gravele, daughter of Paul 2 through June 5 for the Hugh O' Brian Youth (HOBY) Foundation among 113 high school sophomores

The HOBY program emphasizes motivating young people to make a positive contribution to their school, of their world; and to learn to think for themselves.

Its program is basically simple: ernment and the professions, and Kendrick Post Office.

The HOBY seminars have been in existence since 1958; however, Idaho only became involved with it eleven years ago and for Kendrick High School this was its first year of participation.

Juliaetta Council Met Tuesday Night

A variety of topics were discussed Tuesday evening, June 7 as the City Council of Juliaetta met in regular land Funeral Home with officiating presiding. All members of the counsession with Mayor Harold Freeman cil were present: Bruce May, Jim Cuddy, Dick Groseclose and Frank Groseclose.

Roger Kechter was present at the

meeting as a member of the volunteer fire department. Kechter told the council that the department is considering the purchase of a van to be used to transport clothing and equipment. The van would follow the trucks whenever they were called out so the fire fighters would have the clothing and equipment they need. What the fire department was seeking was the city's approval and agreement to insure the vehicle. The department would pay for the van. The city was agreeable to this. Ken Johnson, Terri and Wade Richie and Jim Uebelber of the Cablevision television system from Moscow were present to find the status of the plans to install a cable system in Juliaetta. The city should have an ordinance prepared by the next meeting.

There was a discussion of a water overflow at Cox's spring, a condition that had already been taken care

Bill and Judy Brown were at the meeting to inquire about increasing the size of their present mobile home parking space on the hill.

There was also a discussion of
