Centennial<sup>®</sup> History Book

# OF KENDRICK, JULIAETTA AND SURROUNDING AREA.

a history of the people and events of the past 100 years.

The Centennial Committee of the Kendrick-Juliaetta Community Development Association is compiling a centennial history of the Kendrick-Juliaetta area. This will be a hard-cover publication of centennial and pioneer families, early day churches, schools, businesses, and events that shaped our history. There will also be histories of the smaller communities that are an important part of our tradition. The book will exceed 200 pages and will contain many pictures and maps of historical significance. It is planned to have the book available for distribution in the summer of 1990. To help the committee determine the number of books to be printed, (and to meet advance publication expenses), pre-publication sales are being offered at a considerable savings over the regular price.

(add \$2.50 if book is to be mailed.)
