In completing the report, Benjamin had to access our local roads and bridges generally and then to focus on one specific road or bridge in the area. Dick choset the Cedar Creek Life major at Utah State University, Road bridge that crosses the Pot- has been named to the Spring Honor latch. In that connection he had to meeting heard the results of Dick identify the chief uses of the bridge, the problems encountered there, and munity's roads and bridges. Mailed the consquence, of these problems.

In evaluating roads and bridges generally, Benjamin had to deterrate the greatest volume of vehicle problems that restrict the use of roads and bridges and that reduce safety on them.

When the National Grange pubishes its profile of the condition and needs of rural roads and bridges all across the nation, it will be thanks to the data provided by conscientious, community-minded Grangers like Dick Benjamin. Thanks, Dick, for a job well done!

A completely blind chamleon will still take on the colors of its environ-
