Seeking Missing Members**

A couple of weeks ago there were almost 20 weight watchers meeting at the Kendrick Firehall on Thursday nights at 6:00.

The past two weeks there have been only nine. We would like to encourage our missing members to come on back. We're starting a new program next week, with a lot more food choices.

We need to increase our membership to keep the program going here in our community.

To those who are thinking of joining after the holidays—don't put it off! We may not be here then.

A special invitation to the forty some Weight Watcher members of 1985. It's been a long time since we have seen you. Come on back! What are you "weighting" for!

### CARD OF THANKS

I would like to take this opportunity to thank all of those who were such a great help to me when I had my accident last Thursday evening. To all of the gentlemen who helped me out of my car, and to Fred Foster for gathering up my belongings from the car and bringing them home, and to Diane Arnett and Terry Smith who brought me home and to others present I may not have realized were there to help.

I could not have made it without you all. Thanks also to both of my families and to Pat Heimgartner's where I stayed for a few days, and to Virginia Jacobson who stayed with me at my home for a day. Also, thanks for the flowers, cards, visits and inquiries. I deeply appreciated all this.

You are all so kind. Thank you again.
