Cameron, Southwick News

Opal Lohman and Sonja Lohman

Last week we were hit by a wind and snow storm. The gusts of wind were estimated at 50 miles per hour. The wind blew trees down behind the George Finke home and one of the trees was leaning over the house. With the help of Albert and Earl Lawrence and Billy and Alvin Wilson, the tree was removed and other trees that might have caused havoc

were also removed. The wind blew snow in drifts in some areas and in other places the ground was bare. Many of the back roads were plugged and Kendrick/Juliaetta schools were closed for the day.

Two days after the windstorm the cold weather hit us with temperatures dropping to -20 at some homes resulting frozen and/or broken water pipes. It seems nice to see the mercury above zero once again.

We wish a speedy recovery to Bob White, who underwent surgery at Boise, also to Adelle George's mother

Beulah who is ill with a kidney condition; to George Finke who fell and broke a couple of ribs; also to Helen Cowger. Helen fell and broke her hip. Speedy recovery, Helen!
 Also, get well wishes to all those who are suffering with the flu and the common cold.

Saturday, the 22nd, thirteen children gathered at the Sylvester Czmowski home to help Josh celebrate his 8th birthday!

Visitors at the home of Ron and Sonja Lohman, Ginger and Samantha, have been Sgt. L. S. "Buffy" Webster of 29 Palms, Calif., Mike, Shawni and Kimberley Czmowski, Joel Marshall of Lewiston, Rocky Vargovich of Orofino, Jim Silflow and friends Bonnie and Ryan of Clarkston, Kelly and Gina Frazier, Stephen, Heather and Danielle of Kooskia, Sylvester, Delores, Debbi and Josh Czmowski and Ray and Stella Lohman.

Last Wednesday, Dec. 19th, tragedy hit the families of Adelle George and J. R. and Karen Glover and Aaron of Southwick. They learned of the death of two of Adelle's grandsons in an automobile accident at Medford, Oregon. The family of Phillip Jones, his wife and family were on their way to California for the holidays when the pickup they were riding in hit black ice and rolled. Those killed in the accident were Adam Jones, 12, and Christopher Jones, 18. Adelle and the Glovers left Friday morning for Auburn, Wash., for the Phillip Jones home to be with the family. They returned home Saturday evening.

Our sympathies go out to the Glovers and Adelle, and Adelle's mother Beulah.

Memorial services will be held next weekend at Auburn, Wash. The bodies will be cremated.

We Wish You a Happy New Year!

As we prepare to see the old year out, we can look back on 1990 as being full of pride and accomplishment, some sadness, some worry, and much gratitude. We could not let this time pass without again saying how proud we are of all the people who worked so hard to give the community its wonderful Centennial Celebration—"you did us proud!" A "well done" also to the KHS football team, coaches and cheerleaders.

The year has not been without its sorrow, and we miss and grieve for loved ones, friends, and neighbors whom we have lost but will always cherish and treasure in our hearts and memory.

The events in this unsettled world this year brought us worry and concern for our young people serving in the military, especially those who are serving overseas. We pray God will shelter and protect them and return them safely to us very soon.

And, finally, on a personal note, we wish to thank the community for its continued support and friendship. Your patronage and understanding, when we needed it most, is a priceless treasure.

May 1991 bring you peace, happiness and a full measure of love and contentment.
