JULIAETTA MARKET By Jami Murphey

The Juliaetta Market supplies the community with a variety of foods. You can do your weekly shopping here and be more than satisfied with the selection of breakfast, lunches, and dinner foods. They have a reasonable selection of fresh produce, frozen foods and convenience foods, among many other things, ready for

There are many truckers that pass through—the market is just perfect for them. First all all, because it is open early in the morning, during trucker hours. There are tables set up inside with hot coffee, cocoa, donuts, and a deli filled with hot foods such as tater babies, ham and cheese, to have these volunteers for the amchicken strips, crab and cheese, chicken, pizza pockets, etc.

Travelers, have you ever been on the road and realized that you had 33p forotten something? Well, this is the perfect place to pick them up. They have items that you might find necessary, such as automotive supplies, socks, sunscreens, sunglasses, snacks, hats, etc.

The Juliaetta Market serves you with six covered gas pumps and others which allow you to use your gas card. There is also a carwash equipped for two cars at a time. A vacuum is available. The propane tank and air pump may come in handy, too!

As you can see, the friendly faces of Gary, Mary Jo, Luann, Robin, Eva, Barb, Benita, Brandy, and Justin are ready to serve you by supplying you with your everyday needs. Don't just do your weekly shopping here, stop by and have a coffee

Addresses of Our Boys Serving in Gulf Area

> On the negative side is the possibility that we will be putting our necks in a financial noose. Our present debt of \$207,000 at 5% will go to between \$400,000 and \$457,000 at 7%. A clause in the old bond requires us to refinance it at the higher rate if we take on new debt of this type. This clause has been enforced in the other towns who have done this. That will add about \$3 to each month's water bill. That per month, but we will have little their first New Year's resolution large expense, such as with our aging sewer plant. There is even some doubt the water plant will give usable water when the river is very low. It was designed on the basis of samples taken with good water flow. At low flow the load of dissolved solids will be much higher. If this or herbicides and pesticides are a problem, it will mean more money for modifications. Will we have it? In short, the Water Bond may help the town or hurt it. We don't really know enough at this time to say which. Unfortunately we do have to make our decision now. Get out

Dale and Lori would like to thank all their good friends for everything they brought. There was more good not only means that water rates food than they could have ever hope will raise by a total of \$11 or \$12 to have eaten—therefore, blowing if any ability to borrow more in to diet! Thanks to Dale, Don, Barb the future. It's the first time I've and Clancy for bringing their snowseen a banker say financing will be mobile machines and being so gena struggle. That means we'll be in erous with them. Dale and Lori alreal trouble if we have another so said thanks to everyone who brought extra coats, hats, boots, etc., and added that if anyone is missing anything, they have a lost and found up at their place!

To those who might be asking Dale and Lori why they took so long to put this in the paper? . . . they do have an answer - their second New Year's resolution was to get more organized!

A Happy and Healthy 1991 to all, say Dale and Lori!
