Leslie and Delores Heimgartner just returned from a trip to Burley where they attended Delores' 50th year class reunion. It was a three-day affair with a tour stopping at the old Albion Teacher's College, to the City of Rocks, where they watched climbers scaling the high cliffs, and into Oakley where they visited and saw some restored historical buildings. There was golfing for those interested, but Les and Delores visited with family and friends before attending a Saturday evening banquet. There was also a breakfast at a classmate's home on Sunday but the Heimgartners missed this to go on to Mountain Home where they called on Bill and Marie Straw, Elaine Heimgartner and Audrey and Adrian Perrine. They arrived back on Stony Point Monday. This is the first class reunion Delores has attended in thirty years.

On Friday evening Marjorie and Glen Stevens and Mrs. Effie Powell, Eldon and Gertrude Heimgartner, and Wayne and Ruth Heimgartner attended the 50th wedding anniversary reception for Wayne and Wanda Hoskins at the Cottonwood Creek Community Church.

Sunday Bill and Mary Steigers of Lewiston were callers of Ernest and Nellie Steigers, bringing a most delicious dinner. Granddaughter Charlotte, her husband and their children from Salt Lake City, Utah were also there, and a friend from Switzerland. They were planning a float

trip down the Salmon.

On Thursday, Nellie and Ruth Heimgartner were at the Kendrick Grange Hall for a toy-making day. There were seven members in all who helped with the project.

Visitors of Lawrence and Neil during the week have been Lowell and Muriel Hubbard, Harlan and Marie Fey and Vivian Daniels.

Saturday dinner guests were Alan and Debra Rode of Lewiston. Mildred Johnson was an afternoon caller.

Saturday Jim and Jeanne Black went to the home of their home Steve and his wife Pam. They all had dinner out. A great time for all. On Sunday Tim and Linda Reid and son Brandon were afternoon visitors.

Wednesday saw Glen and Marjorie Stevens and Mrs. Powell fishing. They reported good luck.

Sunday dinner guests of the Stevens and Mrs. Powell were Mr. and Mrs. Homer Palmer of Lewiston.

Barbara Heath reported being busy with harvest.

Monday through Saturday guests in the home of Eldon and Gert Heimgartner were Rick and Wanda Heimgartner and children of Pilot Rock, Oregon, who were in and out visiting around and here for Wanda's parents 50th anniversary.

Friday evening Gene and Betty Heimgartner of Post Falls arrived and stayed through Sunday, helping Gert celebrate her birthday. Gene and Betty also attended the Hoskins 50th anniversary reception.

Friday, Saturday and Sunday at "Three Meadows", the Kerby family held a reunion. There were 81 who attended, coming as far as Florida and also Portland. A great time for everyone and the weather was beautiful.

Saturday, Wayne and Ruth Heimgartner visited with Mrs. Yvonne Hunter and Helen Slomp. Later they had supper with Bill and Lavern Harri, Janet, Heidi and Nicole, and Lillie McCall in Clarkston.

Friday Wanda Enger accompanied Jody and James Smith on a trip to Bovill, Kendrick and Deary to pick up money and paid tickets for the quilt raffle. The drawing was made at Deary Days Saturday with Lila Dunder of Lewiston the winner.

Ethel and Leah Smith were also in Deary Saturday where they served as timers for the fun run.

Saturday evening Clinton and Ethel and Jody Smith traveled to Lewiston to attend the wedding of their nephew Steven to Tami Erickson. After the wedding and reception, the Smiths went to the Bonanza restaurant with other wedding guests to help Jody's dad, Dillard Stone celebrate his 83rd birthday anniversary. Other celebrants were Betty Stone, Don, Eniss and Heather Smith and Doug and Kay Stout.

Doug and Kay visited her parents, Clinton and Ethel Smith and Leah on Sunday.

### Letters

#### To the Editor . . .

Alameda, Calif.

Editor, Kendrick Gazette:

Noticed the pink sticker on the last issue of your most valued newspaper, so another year has come and gone and it's time to pay up. Enclosed is my check.

I'm sorry to have missed the Kendrick Centennial activities. Also to have missed marching with the remaining members of my graduating class of 1939 at the University of Idaho, who marched with the 1989 graduating class celebrating Idaho's 100th year of Statehood.

I had also planned making some personal recordings of Louis Wright's early life in several areas and the activities of that area of pioneer life together with other old timers from the Salmon River-Grangeville area in their own words.

I had heard old man Thomas' a scout in the Nez Perce War for Gen. Howard, and also Sam Taber's son-in-law. I've heard the recorded accounts of the Tabers, Fixs, Clarks,

Jennings, Johnsons and other early settlers of the Fix Ridge area.

In the area general history, I've noted some omissions, perhaps intentional.

The recent earthquake shook down about half of Oakland, California's business section. The Kaiser headquarters stands OK. They capture narcotics by the ship load around the Oakland Port. It's claimed coke salesmen have killed more people than the ground forces of Desert Storm with no expense to taxpayers. I believe the count is about 161 to date in 1991.

Most respectfully yours,  
B. E. (Gene) Groseclose

People have used petroleum for thousands of years. The Bible mentions that Noah used a solid form of petroleum, called pitch, in building the ark.
