This week's Kendrick Football Forecast produced another winner's tie. as Wayne Harris and Dale Alexander each missed just three predictions of the weekend NFL football games. It was just two weeks ago that Bonnie Butler and Ken Wilson tied for the weekly prize.

Jeff Smith is now investigating to find out who filled out Wayne Harris' forecast last week. Smith allows that Dale could just get lucky once in awhile, but finds it hard to believe Wayne didn't get some help on this factorily.

There were 102 entries in the forecast, the largest number this sea- New Arrivals son. Jeff hopes that many more fans will fill out entries and turn them in. Remember if you can't use the form in the Gazette, extra entry forms are available at the Town & Country

Finally getting possession of the ball for the first time in the game, the Tigers wasted no time scoring-Cade Konen went through the middle of the Huskie line and 72 yards for a touchdown just 51 seconds after they began their offense. Corey Meyer was stopped on the conversion try and the score was 6-0.

Just about a minute later Scott Corkill, the big Tiger lineman, blocked a Highland punt on the Huskie 15 yard line, the ball bounced off Corkill and back into the end zone where Scott fell on it for 6 more points. Jarrod Silflow ran over the extra points and it was 14-0 for the Tigers with 7:39 still remaining in the first.

An on-side kick gave the Tigers possession of the ball on the 50 yard line and the Tigers then scored again a minute later with Ryan Blewett passing to Cade Konen in a 13 yard play. Jason Witt scored the extra two points on a run and it the Tigers on top 22-0.

With three minutes left in the first period Blewett went to the air again and found Jarrod Silflow as his receiver in a play covering 50 yards. Witt again ran over the extra points and it was 30-0 for the Tigers as the quarter ended.

A Blewett to Silflow pass worked for the KHS team early in the second quarter and Stiflow was finally hauled down at the Huskie four. One play later, Blewett handed off to Konen on the 1-yard line and Konen banged into the end zone. Blewett ran over the extra point try and the Tigers led 38-0.

At this point, Coach Ken Swanger, who had been substituting freely, sent in his entire JV squad and the freshmen and sophomores gave an

excellent account of themselves. The highpoint of the game came in the second quarter as the young Citizenship: National Focus Blue Tiger team found itself facing a fourth and long yardage situation and the local fans were treated to some thing rare in a high school game: Coach Swanger sent in Bob Wegner to attempt a 35-yard field goal. Wegner has been handling the kicking duties for the Tigers all season and doing a tremendous job, but no Foods of the Pacific N. W. II: Blue one had seen him kick a field goal. Livestock Judging Contest: Top Jr. The snap was good, the placing fine, the line provided excellent protection and Bob, to the delight of everyone,

drilled a perfect 3-pointer. Kendrick took a 41-0 lead into the halftime. Both teams were using reserves in the third quarter, which was scoreless. In the the final period Mark Maland scored on a 5 yard run. With the score 47-0 the game ended via the 45 point rule.
