Annual Notification: Inspection and Review Of Student Records

Certain rights pertaining to the inspection and review of student's records and challenging the content of such records are afforded to parents of children under 18 years of age, students 18 years of age or older and married students attending Public School District No. 283. The District has established procedures allowing the above individuals access to school records.

Joint District No. 283 has established and maintains records in the following areas: Academic, Attendance, Testing, and Health. These records are housed in the following locations: The central files, special education classrooms, and ancillary personal offices. Individual student files reference the location of any additional records pertaining to student. All records are stored in secure facilities.

indefinitely. Special Education records, except for permanent attendance and enrollment information which the district is entitled to maintain indefinitely, are destroyed when the information is no longer needed to provide educational services. Parents of Special Education students and eligible students will be notified when student records are to be destroyed so they may obtain copies of desired records.

Personally identifiable school records and files of students will be released to only certain school and other educational agency officials unless written consent to further release is obtained. Furnishing, in any form, any personally identifiable information contained in personal school records to any persons, other than the above, will be permitted only by written consent, specifying the record(s) to be released, the reason therefore, to whom the copies are provided, or permitted when required by judicial order or lawful subpoena.

Any person, agency, or organization legally entitled to student records and desiring access to such records must sign a written form to be kept in the student's file for inspection by the parent or eligible student. Copies of student records are available at the school of attendance at a cost of 50 cents per page (unless the cost effectively prohibits parent or eligible student from obtaining a copy of the record). Joint District No. 283 is required by Federal and State regulations to make student records available to parents or eligible students who request to see them within 45 days of date of request.

Parents or eligible students may request a copy of educational records and obtain copies at their own expense.

Parents or eligible students may request an explanation and interpretation of records.

If any educational record includes information on more than one student, the parents or eligible students of those children shall have the right

to inspect and review only the information relating to their child, or themselves, or to be informed of that specific information. Parents or eligible students may request amendment of records if they believe that information is inaccurate, misleading, or violates the privacy or other rights of the student.

Parents or eligible students may initiate a due process hearing regarding the content of student records.

Education for The Handicapped

Kendrick School District No. 283 is committed to the early identification and intervention of Special Needs Children. In order to assure that we meet this commitment and that all handicapped children are afforded a Free Appropriate Public Education we need the help of the community in our "Child Find Activities."

What is Child Find?
Child Find is a service of the Idaho State Department of Education and your local school district.

The purpose of Child Find is to identify children who may have individual needs that result from disabilities (handicaps) or developmental delays.

Child Find helps determine if a child has a disability and what kind of educational services would best meet his or her needs.

Who is Child Find Looking For?
Child Find is looking for children with disabilities, especially children between 3 and 21 years of age.

Child Find is looking for children who are "not exactly the same" as others their age. These youngsters may have difficulty walking, talking, hearing, or learning. Or they may have behavior problems.

Who Can Call Child Find?
Parents. Grandparents. Doctors. Teachers. Anyone concerned about a youngster who isn't exactly the same as others the same age.

How Can Child Find Help?
Many of the youngsters who are referred to Child Find may be entitled to special education and related services. And, the younger the child, the more effective those services will be.

Children who are referred to Child Find will receive free testing to determine if the differences you notice require services or if they are "nothing to worry about."

If the child has a disability and eligible for special education or related services, the public schools will work with the child's parents to design a program just for that child.

Children with milder delays or disabilities might not be eligible for services. But the school may suggest ways that parents could help.

Park News

By Jody Smith

News Flash!

Jim and Brenda Smith of Hayden Lake are the proud parents of a baby girl born Monday, Dec. 14. The as-yet-unnamed little sweetheart weighed in at 9 lbs., 1 oz., at 12:25 a. m. and joins sisters Sarah and Kristen and brother Scott. Grandparents are Jerry and Jody Smith of Park and Bruno and Rita Goetz of Coeur d'Alene. Paternal great-grandmother Betty Stone of Lewiston.

Mother and baby are doing well.

Weather and Road-Wise—nothing new. Cold, snowy weather and slick roads make for typical winter weather in Park. Most of the old timers just crank up the 4-wheel drive or carry tire chains and go wherever necessary anyway, whether the nec-

essary is business or the business of enjoying recreation.

Some are taking advantage of the slick conditions. A week-ago Saturday, Leah Smith and her roommate Lisa Stoltz, brought friends Rich and Eric Johnson from the U of I to Leah's parents, Clinton and Ethel Smith's home for a sleigh riding party. At Karl and Wanda Enger's home for a snow vacation weekend were Barbara Bennett and son Justin of Lewiston, Wanda's sister and brother-in-law, Inez and Terry Willenborg, her daughter and son-in-law, Pam and Jim Walk and their children Kelly and Kevin, all of Juliaetta; Wanda's nephews, Bill and Don Mullins, Jr., of Orofino. All enjoyed the day bobsledding behind the 4-wheelers. Steve and Tracy Johnson joined the group in the evening, having a high old time playing card games.

Visiting the Jerry Smiths recently

have been Victor Haag of Lewiston; Duane and Cindy Brown, Angela and Corey, Deary; Lenny Jordan, Avon; Jerry's nephew Tom Weber, Darrell Bernard, and three other friends from the Lenore-Orofino area; Larry LaBolle of Juneau, Alaska and his son Mark, who's currently working in Moscow and spending his weekends at home in Rathdrum; Jake and Mildred Beyer, Bovill, and Clinton and Ethel Smith.

The Clinton Smiths made a business trip to Lewiston Thursday and enjoyed a visit with his aunt, Jessie McCoy.

Thursday, the Jerry Smiths enjoyed the Deary Community Church Ladies Aid Christmas potluck dinner and party hosted by Rev. Carl and Debbie Kinne, then continued on to Moscow on business. Mall shopping finished the day, with a high point, visiting with fellow shoppers Karl and Wanda Enger, Pat Holt, Claire Chin and Harley Gunther, the latter two from Moscow. On Saturday the Smiths were in Lewiston on business and enjoyed lunch with Jody's mom, Betty

Stone. Fellow shoppers to pass a bit of seasonal visiting were the Hans Jensen family and Ray Carmen, all of Deary. Sometimes you must travel a ways from home to visit with the neighbors. The crowds in the stores prompted one passing shopper to remark, "This is enough to bring out the 'bah, humbug' in anybody!"

After shopping, the Smiths paid a brief visit to Mr. and Mrs. Victor Haag.

In spite of the crush and rush of the holidays, we wish all our relatives a happy and memorable holiday season.

A CHRISTMAS PRAYER

When my Christmas joy turns to a snow job and my holiday plans elaborate till I'm wrapped in the trappings trapped in the wrappings. Lord, untangle me help me get

the tinsel out of my hair refresh me with a look at the gift of Your Son!

—Nancy Spiegelberg & me. Merry Christmas, Everyone
