Work on the new Kendrick fire station began last weekend as trees were cleared, the old city hall (food bank site) was demolished, and the

site was filled and leveled. Fire Chief Rick McGregor reporta good turn-out of volunteers who worked together with surprising speed and efficiency. The Kendrick Volunteer Fire Dept. wishes to express its gratitude to the community for its interest and support. A very special thank you to Ken Wilson and Jerry Bruce. You Can Still Help

The fire department is still scrambling for local matching funds for this project. Local businesses and organizations have been generous with donations, McGregor said, but donations from the community residents and families are still being sought. ## A Joyous Easter

Easter and springtime, both with their messages of life and hope are here again. The return of the buds and flowers of spring, new grass and warm sunshine offer the pleasures of an easier lifestyle, just as the coming of Easter renews the promise of Jesus' message to all men. And, we are grateful for both.

Many loved ones who were with us last Easter are no longer here, but they remain in our hearts and memories to fill our days. And, we are grateful.

We also miss the warmth of pleasure of having old friends and neighbors whom we have lost over the past year and we are reminded of just how much we enjoy and appreciate the people who help make our life more complete.

We at Phil's Food City are grateful for both the promises of spring and the Easter message, just as we are grateful for the friendship and support of the community. We hope you have a most happy Easter and a wonderful spring.
