Plans Shaping Up For May 29 Festival

The planning committee met last Thursday evening to complete preparations for the 1993 Locust Blossom Festival parade to be held Sattime of 10:00 Sharp!

"Disney Comes to Town" is this year's parade theme. Trophies will be awarded in the following cate-

The Festival will again be using the back street area between the small park and the Gene Brocke residence up to City Hall, which will be blocked off and reserved for parade entries. The parade entry table will be placed near City Hall. This new location will provide a safer location for entries and enable Main Street traffic flow to be uninterrupted until the parade time.

This year a "Show & Shine" automobile show will be held at the high school parking lot. Elaine Galloway and sons Don and Dale are coordinating this event.

Horses and horse drawn entries will assemble in the "Fosterville" area as has been traditional. Gerald Halseth and Dareld Hazeltine are assembling this feature.

The parade committee is hoping that every organization, business, and family in the Kendrick-Juliaetta area will participate in some way to make this the best parade yet. Entry forms will be mailed very soon or can be obtained from Sharon Harris. Please plan to participate in Brammer Disagrees some way, even if only by "dressing That Green Stock up" to honor 50 years of Walt Dis-

With the Disney theme, a rich array of possibilities to develop floats County Commissioner Magnuson and displays are provided since every character that Disney developed or the many fairy tale-based movies are all fair game.

Car Show Will Be A Festival Attraction

A "Show & Shine" car show will be held at 2:00 p. m. at the KHS way, who with sons Don and Dale, are coordinating the event.

Anyone planning to enter their rigs in the parade and are not preregistered, be at the school by 9 that morning. If you are pre-registered, be there by 9:30.

There are categories for: Peoples' Choice; Best Car Club; Pre-Fifties; fifties, Sixties, and Seventies, and the 70's to present.

Anyone with a pretty rig may enter whether it is a custom car or truck, a restored car or truck, a cranker, a street rod, or an all ori-

Pre-registration forms may be obtained from 289-5319 or 289-5361. Be sure to "spit and shine" your rig for this show!
