**CALL BEFORE YOU DIG?**  
WHO SHOULD CALL?  
Anyone planning to dig or excavate could damage any underground pipes or cables at the site.  
WHAT DOES IT COST?  
Your only cost is the time it takes to make one toll-free phone call. For that investment of a few minutes, you will receive the following dividends:  
• The peace of mind of having avoided the possibility of hitting a pipe or cable carrying gas, oil, telephone or electricity which could be life threatening.  
• The satisfaction of contributing to lower utility rates by holding down repair costs.  
• The appreciation of consumers in your area who will not have vital utilities interrupted by unnecessary dig-ins.

## Letters to the Editor—

Alameda, Calif.  
Dear Mr. Roth:  
Seems another year has rolled around and time to pay up my subscription. Greatly enjoy accounts of the doings of all the good people along and above the drainage of the old Potlatch.

This has been the most glorious spring and summer I can remember in the San Francisco Bay area. Early deer season opens Aug. 15. The economy is rather slow here in the bay area. They are replacing 3,334 homes here and 91 in Oakland Hills that were destroyed by the fires and earthquakes. The freeways and bridges are slowly being rebuilt.

Most Sincerely for another good year,  
B. C. (Gene) Groseclose

California's state song is "I Love You, California" by F. B. Silverwood and A. F. Frankenstein.

## CARD OF THANKS

I had the misfortune to have an accident on Aug. 8 near Juliaetta. It was near a home and I don't know all the names involved, but I want to thank all of the persons who helped me through the ordeal. The Kendrick - Juliaetta EMTs were real helpful and to each one concerned, my grateful thanks.
