Tigers Ready **Grid Opener Friday**

Looking sharp and with no serious The Tigers host the Troy Trojans

Driskill got to see his team in action last Saturday at Sandpoint when the Tigers were part of a "jamboree" consisting of several schools from north Idaho. Kendrick ran a total of 36 offensive plays against the Bonners Ferry JVs and the Clark Fork varsity.. From those 36 plays against their two opponents, Kendrick scored 9 touchdowns.

Coach Driskill liked what he saw Saturday. "There's definitely some family in the Waubay area. The Cz-"But they (his team) surprised me. We are further ahead at this point

Saturday competition because of a sprained wrist, but may be ready for the Troy game.

Driskill offensive starters for the game Friday night will be: Craig the varsity squad and 16 on the farm were Eileen and David Ball of full back; and Taj Anderson, tail

On the line offensively will be Tim Tanata, split end; Chad Heimgartner tight end: Rob Kellom, right guard; Ryan Heier, center; and Jerimy Chase left guard.

When on defense, Jerimy Chase and Chad Heimgartner will be the ends. Phil Brown will be the nose guard, and Josh Hudson and Dave Tate will be the linebackers. Drisklil said Craig Tefft and both Corey Meyer

The Tiger coach also likes the depth that Phil Brown, Terry Sheets and John Wegner and Corey Meyers brings to the squad..

The results of last Friday night's games didn't surprise Driskill. The Highland Huskies rolled over Troy and Deary mauled the Genesee Bulldogs. "We knew they'd be strong," Driskill said. But he added, "Don" sell Troy short. They were only 16

CALL BEFORE YOU DIG?

WHO SHOULD CALL?

Anyone planning to dig or excavate could damage any underground pipes or cables at the site

WHAT DOES IT COST?

Your only cost is the time it takes to make one tollfree phone call. For that investment of a few minutes, you will receive the following dividends:

- The peace of mind of having avoided the possibilility of hitting a pipe or cable carrying gas, oil, telephone or electricity which could be life threat-
- The satisfaction of contributing to lower utility rates by holding down repair costs.
- The appreciation of consumers in your area who will not have vital utilities interrupted by unnecessary dig-ins.
