Local Students, **Parents Toured Britain and France**

By Michael Eldrich

Some local people may have already heard about the fine time that a group of KHS students, their parents and students and others from the surrounding area had traveling in England, Scotland, and France in July. Carissa Heustis, Darbi Kechter, Patty Kechter, Michael Davis, Collette Cozort, Elizabeth Palmer, Jessica Boutelle, Lara Pinson, Amy Pinson. Cathy Weyen, Nicole Klatt, Amie Bruce, Susan Anderson, Michael Eldrich, Margaret Eldrich, and Tricia Jeffries had a fun and educational ten-day EF tour.

A Good Friend and Neighbor-

It was a stunned and saddened community that received the word of Roger's sudden passing Friday morning. He had lived in Kendrick for over 15 years and had gained the respect and admiration of all who knew him because of his quiet, friendly manner and the contributions he made to the young people through his coaching ability.

Roger knew and loved sports, especially baseball and he gladly shared his time and skills in coaching Babe Ruth teams and when the high school couldn't find a qualified baseball coach, Roger gladly took the time to direct the team.

Roger also enjoyed work around the family home and he remodeled the older home he bought when he moved to Kendrick into a lovely

modern residence. Roger Roy was a good man, a friendly neighbor and he touched and influence many young people by his coaching and teaching in the field of athletics. We will never know why he was taken from us so quickly but we do know we were grateful to have known so good a man.

Change your thoughts and you change your world.
