The Board of Latah County Commissioners invites all interested persons to attend a series of public meetings to discuss changes to the RURAL SOLID WASTE DUMPSTER SYSTEM.

The dramatically increased costs of disposal of our county's garbage, brought about by federal Subtitle D regulations, are due to be implemented April 9, 1994, forcing the Board to consider dumpster system changes in order to protect rural ratepayers' wallets.

YOUR PARTICIPATION IN DESIGNING THE NEW RURAL COLLECTION SYSTEM IS ESSENTIAL.
