

Gem Community Action Plan Meeting Sept. 12

The K-J Community Development Assoc. executive committee is sponsoring a public meeting and planning session Tuesday, Sept. 12, at 7:00 p. m. in the Grange Hall. The meeting is to gain information and public input for a revision and update of the Gem Community Action Plan with the Idaho Dept. of Commerce.

In 1990 a projected five-year action plan was developed through the efforts of Kendrick-Juliaetta community organizations as individual groups. Those groups listed needs and goals in order of importance to them. An ad hoc committee took that information and condensed it into a workable plan. This plan has since been revised each year as projects have either been completed or reconsidered.

Once again it is time to set goals for the future to the year 2000. As a community it is vital that all citizens take a look at what their needs and goals are for the future involving infrastructure, business retention and expansion, and economic diversification.

This meeting is open to all interested groups and concerned citizens of the community.

Deary Defeats Kendrick 46-0; Colton Here Friday

Kendrick High School's Tiger football team lost its second game in as many starts last Friday when Coach Kevin Driskill and his squad went up the hill and were sent back home after the Mustangs rolled up 46 points early in the third quarter to end the game by the 'mercy rule'. This Friday night, Sept. 8, the Tigers are home for the first time this season to host the Colton Wildcats in a non-league contest.

The younger, lighter and less experienced KHS team just didn't have an answer for the powerhouse Mustangs, especially Aaron Workman who racked up 220 yards against them on just six carries.

Kendrick came out determined in the first quarter and drove down to the Deary 15 yard line before giving up the ball on four downs. Deary took over and scored 24 points in the first quarter and 14 in the second period to lead 38-0 at the half.

About 5 minutes into the third quarter Workman scored his fourth touchdown of the game on a 65-yard pass from Ryan Holden and that put them ahead 46-0 and ended the game.

While Kendrick is hosting Colton Friday night Deary will take its football machine up to Genesee for a battle between two unbeaten teams.

NEW ARRIVALS—

Goff— Richard and Amy Goff of Chaska, Minn., became the parents of a daughter Monday, Sept. 4 with the birth of Shelby Nicole who weighed in at seven pounds.

Shelby joins an older brother Cameron in the Goff home.

Donna Cook Goff, a former Kendrick resident is the paternal grandmother.

Kanyon Klub Meets Sept. 12

The Kendrick Kanyon Klub will hold its September meeting on Tuesday the 12th, at 1:30 at the home of Delores Polunsky in Juliaetta.

Roll call will be answered with a household hint. Devotions will be led by Marge Eldridge and the program will be "Show and Tell" by Crystal Gruell.

Information on Disposal Of Animal Hides, Bones From Solid Waste Dept.

Hunting season is fast approaching for Latah County and surrounding counties. In the past there were 34 rural dumpsters located throughout Latah County for hunters to dispose of hides and carcasses after their hunting expeditions. Those dumpsters have been removed.

The Latah County Solid Waste Department is concerned that these remains may now be illegally dumped on road sides or on private property. The Solid Waste Department reminds all hunters of the available legal means for disposal of hides and carcasses:

1. Put the hides and carcasses in your regular garbage cans, however make sure they are in plastic sacks with sufficient wall strength to maintain physical integrity when lifted by the top, and be sure the weight doesn't exceed 35 pounds.
2. You may haul them to the new transfer station located 5 miles east of Moscow on Highway 8. If the weight is less than 100 lbs., you can dump without charge. For any amount over 100 lbs. there is a charge.
3. Hides and carcasses may also be hauled to the Bulky Waste sites located at: Juliaetta—8 a. m. to 4 p. m. on the 1st and 3rd Saturdays.
Deary: 8 a. m. to 4 p. m. on the 2nd and 4th Saturdays.
Genesee: 8 a. m. to 4 p. m. on 2nd and 4th Saturdays.

Any hide or carcass hauled to the Bulky Waste Sites must be in a plastic sack or contained to prevent flies and odor from being offensive until the containers can be dumped. You will be allowed to dump at these Bulky Waste Sites free of charge if the material is contained properly.

Please don't dump your hunting debris on private property or along the roadways. There are legal alternatives without cost to you. Property owners who find remains should report the illegal dumping to the Solid Waste Department.

August Rainfall Totaled 1.7 Inches

There was not a great amount of rainfall in this area during the month of August, but it was enough to delay harvest for almost two weeks and even now the farmers are still working to get the last of 1995 crops in.

According to Frank Dammarell, who keeps a rain gauge record at his place on Little Bear, there was measurable rain received 3 times in the 31-day period. The heavy rain storm earlier in the month put 1.2 inches of rain down and this was followed by a slight 1 and .4 on two other days for a total of 1.7 inches.

Frank added that the temperature during the month ran from very low 40's to the middle 90's.

Thanks for the info, Frank!

UI Women Pledge Sororities this Fall

A total of 241 women have pledged sororities at the University of Idaho this fall.

Linda Davis, Greek advisor, said, "rush went very well," attributing much of the success to the work of Greek living group members who served as rush advisors and assisted with the program in other ways.

The numbers of women registering for and participating in formal fall rush activities was up, she said. "In fact, the 269 advance registrants was the second highest since 1977." The total number of participants was 251. Davis noted that each year some women who take part in rush activities decide not to pledge membership to a sorority.

Idaho women pledging sororities and the houses they are affiliated with include: Jami Silflow, Gamma Phi Beta.

Meal Site People say Thanks for the Produce

I would like to give a special tribute to all the wonderfully generous people who have shared so much of their very good produce, candy, and other items with us at the senior meal site.

We have really enjoyed everything brought to us and we want to give each one of you a heartfelt thanks, and I want to give an extra thank you also, as these donated items help our budget as well!

It is so wonderful to live in a generous community such as ours: Thank you again.

Louise Pea,
Meal Site manager

Visitor from Germany

Rita Ulrich of Oldenburg, Germany arrived Monday for a brief visit with her great-aunt, Mrs. Henry Reil. Miss Ulrich has spent the past two months working at a summer camp in New York. She does this same type of work in Germany. Rita and Mrs. Reil visited the Gazette office Tuesday afternoon.

Community Play In Park Sunday

"A Dubious History of Kendrick", this season's presentation by the Kendrick/Juliaetta Players, is nearly ready for production. Sunday afternoon at 4:00 in the Kendrick City Park, various interpretations of the history of Kendrick and Juliaetta will be presented by these dedicated volunteers.

The K-J Arts Committee and the K-J Community Development Association hope that this will become an annual event to provide late summer entertainment for our community, but your support is needed in the form of attendance in order to make it a success. Please come, bring your lawn chairs and your sense of humor and join in this community activity.

KHS Volleyball Team Opens Season With Victories

The Kendrick High School Varsity volleyball team started the season with wins of 15-7, 10-15, 15-9 over Deary and a in of 15-8 and 15-5 over Nezperce.

Coach Barb Heimgartner reported that 21 players turned out for the team this year, so some "C" squad games will be played.

Players on the Varsity are seniors Beth Eckroth and Rachel Parks as setters and Cindy Case as back row specialist. Juniors are Rachele Eberhardt and Janel Silflow as outside hitters, and Lara Pinson, Carolyn Carter and Alyssa Heier as middle hitters with Katie Rush as setter.

The Junior Varsity won against Deary 17-15, 15-10 and also against Nezperce 15-3 and 17-15.

Cameron Lutheran Church Sunday School Begins Sept. 10

It is the goal of Cameron Emmanuel Lutheran Church to provide an atmosphere to nurture the relationships your family members have with Jesus Christ. Singing songs, praying, sharing devotions, and studying God's word will highlight the education program of the church.

Your whole family is invited to participate in classes from ages 3 through adult. Baby-sitting is provided for infants and toddlers. The music openings begin at 9:45 a. m. and are followed by class time. Worship service begins at 11:00 a. m.

If you need a ride, please call Hermina Meyer at 289-3003 or Amy Lohman at 289-3401. We look forward to seeing you at Rally Sunday on Sept. 10.

Royal Ranger and Missionettes Begin Sept. 13

Royal Rangers and Missionettes, the Christian boys and girls scouting programs, will begin with an informational meeting on Wednesday, Sept. 13, at 7:00 p. m. at the Kendrick Assembly of God Church. Past members and those desiring to know more about the programs are encouraged to come to this meeting.

Due to changes in the Ranger program, only boys in the first through third grades will be meeting this year. Missionettes will be for girls seven years of age through the fourth grade.

If you have any questions, please call Pastor Bob or Tammy Novak at 289-4597 or 289-4590.

Tiger Boosters to Meet After Friday Game

There will be a meeting and election of officers of the Kendrick Tiger Booster Club after the home football game Friday evening, Sept. 8 at the high school.

This game and meeting will be a fine opportunity to pay membership dues for the coming year. Dues are \$5 for adults and \$1 for children. They may be paid at the game by contacting a member or at the meeting.

Other business at the meeting will be the election of officers.

Development Assoc. Meeting Sept. 14

The regular monthly meeting of the Kendrick-Juliaetta Community Development Assoc. will be at noon, Thursday, Sept. 14, in the Kendrick Fire Hall.

Chas. Wedin Earns Certified Crop Advisor Rating

Charles Wedin of The McGregor Company has been named a Certified Crop Advisor (CCA). The designation certifies he has met nationally recognized high standards for knowledge and experience as a field agronomist. Wedin, area manager of the Leland Branch, sees this new certification as a tool which gives him the "ability to help customers make sound decisions that are economic to them and environmentally friendly," and "is one of best measures to prove agronomic knowledge," in the industry.

Developed by the American Society and administered by the Northwest Regional Certified Crop Advisor Board, the voluntary certification program establishes and monitors standards for agronomic knowledge, experience and continuing education. Each CCA must have a minimum of four years of experience advising farmers and pass comprehensive national and regional examinations.

Winning the CCA designation calls for a long-term commitment. To maintain his certification, Wedin must obtain a minimum of 40 hours of college-level continuing education every two years and uphold a code of ethics enforced by the Northwest Regional Certified Crop Advisor Board.

Wedin grew up in Genesee and has been employed with The McGregor Company since 1976. He began as a serviceman and was promoted through the ranks to sales and supervisory positions. Charlie is active in civic activities including County Crops Advisory Board, the Latah County Fair projects, Hunter Education instructor, and supports the local high school athletics.

Youth Hunter Clinic Will be Offered Sept. 30

The Idaho Department of Fish and Game, Latah Wildlife Assoc., Clearwater Region Wildlife Council, and the Potlatch Corporation are sponsoring a Youth Hunter Clinic.

The purpose of the clinic is to expose youths to various methods of hunting. Participants will have the opportunity to shoot archery, muzzleloaders, shotguns and small rifles. The clinic will be located at the Troy-Deary Gun Club along Highway 8 and will be held Saturday, Sept. 30 from 9 am to 4 pm. Check-in will be from 8 to 8:45 at the gun club. Lunch will be provided by Potlatch Corp and soft drinks will be furnished by Pepsi Company. Adults should furnish their own lunch.

Adult instructors will be on the line at all times to insure that all safety rules are followed to the utmost.

The youth does not need prior knowledge or experience in firearms to participate in this clinic. Remember it is FREE to the students from any organization—Girl Scouts, Boy Scouts, 4-H groups—and each student will come away with some very important knowledge of safety and free literature provided by the various firearms companies.

For more information, contact either the Fish and Game Department, or myself, Frank C. Dammarell at 289-4302 for pre-registration by no later than Sept. 26.

Farewell Potluck Sept. 9 To Honor Casciato Family

The Juliaetta Nazarene Church will host a farewell potluck dinner and fellowship Saturday, Sept. 9 from 4 to 6 o'clock in the basement of the church to honor Pastor Jay and Donna Casciato. The Casciatos are moving to Prosser, Wash where they will continue their ministry.

The community is invited to come and share a good meal and express its appreciation for the work and fellowship of the Casciatos.

V. F. W. Post and Auxiliary Meetings Resume Sept. 14

Baker-Lind Post 3913, Veterans of Foreign Wars and its Auxiliary will hold their first meetings of the new year Thursday, Sept. 14 at 8 o'clock at the V. F. W. Hall.

Auxiliary ladies are reminded that dues are payable at the meeting. Come out and help get the year off to a good start and show continued support to the new officers.

Thanks from Midge D.

I wish to thank three of our fine EMT's, Keith Ford, Christine Clayton and Dorothy Wallace, for their quick and gentle response to our call for help Aug. 26 and transporting me to Gritman Memorial Medical Center. I am home now and feeling better. Thanks also to friends and neighbors for their caring concern. I hope everyone in the community appreciates just what a good group of EMT's we have.

Kendrick Must Decide on Plan To Improve Water, Sewer Lines

Kendrick residents received their first solid, sobering information on the costs and scope of proposed plans to rebuild that portion of State Highway 3 which serves as Kendrick Main Street, repair and replace the aging water and sewer lines under that part of the street, and repair and/or replace present sidewalk along much of the street.

The information came at a public meeting last Thursday evening at the fire hall. The meeting was called by the Kendrick city council and attended by engineers hired by the city, representatives of the State Transportation Dept. and the Clearwater Economic Development Association. Considering the subject of the meeting concerned a matter that will affect the lives (and the pocket books) of residents for possibly the next thirty years, there were only about 25 people present, a small turnout.

Mayor Jerry L. Brown presided at the Thursday meeting and he told the audience that the work, the roading rebuilding and water and sewer lines) would be bid as one project. Brown also introduced Jim Coleman and Dale Baune of JUB Engineers, who have been retained by the city, Dodd Snodgras of CEDA, and Kevin Rigby of the Department of Transportation.

Brown had city maintenance man Steve Howerton show a video tape taken inside the sewer lines serving much of the main street. The tape had been taken at the request of the JUB engineers who get a clear picture of the condition of the line and what was needed to repair or replace it. The tape showed a badly damaged line with cracks, and in some spots, missing pipe that allowed dirt and gravel to fall into the line.

What the city and its engineers presented was several options concerning the proposed project. The two options are listed as 'A' and 'B' and each, in turn, has various options and costs. The basic plan is termed Option A and would cost, according to figures from the city, \$1,300,000. This plan itemizes out with \$750,000 from the rebuilding of Main Street from approximately the Assembly of God Church in the west end to approximately the old Ed Brown resident in the east. This cost would be paid from the Idaho Transportation Dept. budget and remains the same in all options. The city would also be applying for a Idaho Community Development Block Grant. The amount of the grant requested would depend on the scope of the project and would range from \$330,000 for the basic

Potlatch Ridge Worker 4-H Will Meet September 9

The regular monthly meeting of the Potlatch Ridge Workers 4-H Club will be held on Saturday, Sept. 9 at the Cameron Lutheran Church.

The meeting will start at 8:00 a. m. and members are reminded to bring rakes, shovels, gloves, and other tools, as we will be working on our Community Pride Project.

Everyone should plan to bring a sack lunch or a snack, as we may be working and meeting into the early afternoon.

Parents are encouraged to attend this meeting, as we will be discussing fair procedures and setting up schedules for the parents' booth. For members who have not yet given a demonstration, this will be the last opportunity before the fair.

See everyone Saturday!

A great part of courage is the courage of having done the thing before.

Option A plan up to \$500,000 if Option B's plan is decided on that would broaden the scope of the to include a new city well, the addition of a reserve account earmarked for further improvements to the water and sewer lines and also provide for adding and/or improving present lines.

To obtain a grant in any amount the city will have to provide matching funds. The match depending on the size of the grant. If the least expensive Option A plan is adopted the matching fund has been estimated at \$220,000. These matching funds would have to be obtained through a bond issue again depending on the size of the project and would be repaid by money generated from the water and sewer revenues. It was estimated by the city that the least expensive Option would add \$6.05 to the user's water and sewer bill. Including the new well on the project would increase the water and sewer bill \$8.11 per month and the cost rises to an estimated \$14.86 per month if Option B is approved with its inclusion of a new well, a reserve account, and new water lines.

Mayor Brown termed the Main Street Project a "golden opportunity" for the city to get needed repairs done on the water and sewer lines, saying that the state will be tearing up the street to replace Hwy 3 and this would save the city a large amount on excavation costs.

Lloyd "Pete" Ware, a Kendrick resident and businessman asked if there was a contingency fund in the various plans to handle the cost of unforeseen overrun expenses or "would they be coming back to us for more money?" Baune said that estimated figures for all the plans included allowing for unexpected increases.

No one at the meeting expressed opposition to the Main Street Project and all appeared to recognize the need to replace the present water and sewer lines under main street. "We'll never get it done any better or cheaper," said long-time Kendrick resident John Wilson. Retired Fire District Warden Dick Benjamin told the council and audience, "We've been frugal for a good many years now it's catching up with us."

Council member Kay Morey said, "We have to upgrade our city facilities," adding that, "we have to prepare for the future."

Pete Ware agreed that the condition of the water and sewer lines was poor, but he still pushed the council for more exact information. "How much will we end up paying?" Ware asked the council and engineers. "How much more will it be per month—\$15, \$45, \$75? He said he was approaching retirement age and didn't want to face heavy city indebtedness—"Is it going to reach the point that retired people can't afford to live here?"

Dodd Snodgras of CEDA's Lewis office urged the city to decide on a plan to action as the application for grant money must be submitted soon. CEDA will help the city make the application.

Residents will get to vote on the project during the Nov. 7 election. The city plans another public meeting in October.

Local News Of Juliaetta

Rudy and Glynes Meyer spent from Aug. 26 to Sept. 4 camping on the Northfork at Skull Creek. Fishing was fair and the weather was beautiful. A nice relaxing vacation.

Tuesday afternoon Lura and Ray Butler drove to Orofino where they had a good visit with Jessie Erlwine.

Andy and Terri Polumsky of Hamilton, Mont. were Labor Day weekend guests of their parents Clarence and Aldeana. Monday Ray and Delores Polumsky were dinner guests. In the afternoon Bud and Faye Polumsky of Clarkston were visitors. It was a good family visit.

Muriel and Lowell Hubbard enjoyed their Labor Day holiday with Fonda and Richard Wilson in Dixie, staying at the Wilson's cabin. The weather was beautiful and they had a great time.

Wednesday Robert Grant of Lewiston visited with his brother and sister-in-law Milton and Marie Grant. On Sunday Marie and Milton entertained family to observe the 88th birthday of Marie's father Wm. Briere. Other family present were his daughter and son-in-law, Ilene and Gene Bridges of Clarkston and Randy Grant of St. Maries and Duwayne Grant. Milton and Marie went to Lewiston Tuesday on business.

Juanita Craig was a Wednesday overnight guest with her sister Vi Erickson in Lewiston. Jeanne Wadford of Pullman was a Labor Day weekend guest of her mom, Juanita.

Thursday Lura Butler and Alvine Wilson visited with Viola Johns. Viola spent Sunday and was a dinner guest of Dian and John Groseclose. Tuesday Wendy Parks, Vanessa and Aaron were callers.

Dan and Karla Lambert, Erica and Josh spent their Labor Day weekend camping out near Clarkia. Sunday Jim and Lori Brocke and girls joined them for the day.

Park News

By Jody Smith

The heat goes on—all the square hay bales have been hauled, and since the Park Ranch tractor loader has been repaired, the "jelly rolls" are rolling in.

Last Monday Jody Smith was in Deary and called on Mickey Duross. Tuesday saw her in Lewiston where she had a brief visit with her Mom, Betty Stone, who had just returned from a trip to visit relatives in California, motoring home with a cousin Beulah Jones, of Napa, Calif. After an overnight stay, Mrs. Jones

continued on for a visit with relatives in Canada.

Thirteen members of the Enger family gathered at the Park cemetery for a service to honor the remains of Richard Enger, who passed away in May. Engers from Canada, Washington, Oregon and Idaho later enjoyed a visit in the home of Karl and Wanda Enger.

Jay and Judy Lyon and Patrice of Pullman visited Jerry and Jody Smith Friday evening.

Saturday and Sunday Clinton and Ethel Smith were in Lewiston to

help son-in-law Doug and Kay Stout with a house painting project.

A Labor Day picnic at Hareth Park in Lewiston, hosted by Lloyd and Ethel Slatter was enjoyed by about fifty family members including the Clinton and Jerry Smiths. That evening Clinton and Ethel continued to Moscow to see a U. of I. volleyball game. Jerry and Jody Smith stopped in Deary on their trip home to enjoy a potluck dinner at their Deary Community Church in honor of the 25th anniversary of Chuck and Nancy Chapman of Avon.
