#### **Bower Recommends Common Sense for** Salety's Sake

By Frank Jacobson At its meeting on January 16, ed out for an evening of fun in sup-Granger Charles Bower emphasize Bower cautioned that the older we get the more we're prone to accidents, especially in he home.

Citing the bathroom as the numhis listeners that the bathroom generally contains porcelin fixturestile, linoleum, all slick, slippery and hard! Handrails are practically a must.

Also hazardous are hallways, entryways, basement stairs Don't Bower cautions, leave things on stairs. Most of us do, let's hope not to our sorrow.

Common sense is also necessary outside Pick up hoses, rakes, and Veterans Home toward a large TV other potential hazards around the yard.

Bower's talk included helpful advice concerning good safety practices. Like turning pot handles inward dates. on a stove, avoiding overloading electrical circuits, not using water Dist. II Meeting Sundayon any grease and electrical fires. He recommends what's called an ABC extinguisher, suitable for trash, oil and electrical fires.

Bower advises keeping an extinhome. That way if you find you have good turn out to greet her! a fire upon returning home, you'll stand a better chance of fighting it. And never, never, try to beat out a fire involving synthetic fabric! Use water!

One final caution: Never try to fight a large fire. Common sense should tell you, "Get out!"

Visiting from Princeton Grange that evening was Dorotha Headrick. Also on the agenda for the evening was discussion of legislative affairs and an update on the future of Kendrick's Family Medicine clinic. Although rumors concerning its possible closing had been exaggerated, the Grange and other groups in the They had played this team last year

### **Sheriff Praises Efforts** of GTE and Ham Radio Operators During Snows Tigers from Tourney

Wednesday, Jan. 24, Latah County experienced the first big winter storm of the year. Blizzard-like conditions of heavy snow fall and winds caused deep drifts on the highways and many trees were down across the county roads. During the day, all available law enforcement deputies were on duty, along with units from the Idaho State Police, At the height of the storm, the primary channel of the sheriff's office, located on Moscow Mountain, went off was trying to keep alive in the tourthe air, followed by the Search and Rescue repeater going off the air. perce in the first round of play. Shortly after, the State radio channel went down and, after that, the State Police channel.

Immediately responding were a group of Amateur Radio Operators ('Hams), who used their own equip just 6 points. ment and their repeater to provide communications to the Sheriff's office. Among these operators were operator from Whitman County helped with road and weather intormation.

In the middle of the afternoon, Joanne Mack, the district manager of General Telephone Co., volunteered the use of the GE snow cat to take flow 7, Alyssa Heier 13. Ken up the mountain and place the repeaters on the air. By 4 p. m. Ken reached the top, which, by then, had four feet of new powder snow and
