Another Excellent Locust Festival Mother Nature has given the

Kendrick area several things this past year-not all of them nice. She gave us a long, cold winter, a devastating flood in February and a chilly, wet spring that kept farm-

The skies were clear and blue and temperature warm and comfortable. It was a perfect day and so was the yearly community celebration. The attendance overall was down slightly, but not disappointing.

TDS TELECOM CELEBRATES LOCUST BLOSSOM FESTIVAL

This year TDS Telecom helped celebrate Locust Blossom Festival from behind the scenes.

Medallions reading "Good Job!" on the front and TDS on the back were presented to each child participating in the Locust Blossom Children's Parade. These medallions were well deserved by each and every child for their efforts and ingenuity.

Cindy Fliger of TDS Telecom (Potlatch Tel) is a driving force behind the Kendrick-Juliaetta Jr. Miss program. She, the girls and their helpers, used the TDS equipment tralier for their floats driven by Angie Cannon, Congratulations to all involved for being first place winners in the Royalty category.
