#### Sixty Miles of Roads in North-Central Idaho Resurfaced this Summer

Motorists in north-central Idaho wil be driving on about 60 lane miles of smoother, safer and more turable highway, thanks to resur-Ben Marek celebrated his 15th tacing projects on the state highway est priorities. From the start of the esurfaced statewide.

Major 1996 resurfacing projects in the north-central area include: U. S. 95, White Bird Grade

This 7.6-mile section of U.S. 95, and will be seal coated. U. S. 95, Winchester to Culdesac

recycling. A seal coat is also part of the project.

In addition, sections of Idaho and Idaho 8, which were resurfaced last year, were seal coated in 1996. During the 1996 construction season, highways in north-central Idaor have been improved by:

Resurfacing Methods Hot in-place recycling — Crews heat up and grind off the top few inches of pavement, which is thoroughly mixed with new material and put back down. This process, chiefly used on high-volume roads, creates a road bed that closely re-

sembles a new road in consistency and strength. Cold in-place recycling - Crews new pavement. This is used on med-

ium or low- volume roads. Scrub coat — Crews apply a liquid asphalt and sand mixture to fill

Overlay - Simply a new layer of pavement placed on a road's surface, a run from 3 yards out. A pass at proaches on the Big Bear link, that usually preceded by a leveling course to fill in irregularities in the sur-

against water and weather damage the 45-pont mercy rule.

The Brocke's have a wood stove in the basement and a pellet stove The family of Andy Cox would upstairs so the firewood will help basement from getting damp as long as the river cooperates. They were among the flood victims last spring.

## Needlework Entries at Fair

Earn Lindsay Many Ribbons Alex Lindsay was richly rewarded for his needlework entries at the Latah County Fair in Moscow last week. Alex was awarded the following prizes.

6-1st place ribbons 1 Gold

1 Silver

Bronze Grand Champion Reserve

2 Secon place In addition to the ribbons, cash prizes were also given to Alex. Congratulations for an outstanding

showing and beautiful workmanship,

#### Campers Meeting Sept. 23

The Kendrick Campers Klub will hold its regular monthly meeting Monday, Sept. 23 with the usual 6 p. m. potluck dinner at the Senior Senior Center.

The program is a musical treat with Don McDowell of Moscow and for a fun evening.

can see the problem begin to develop two or three vehicles back of the flag person as an impatient west-There's no question about it. The bound driver turns off at 8th Street,

> There has been some complaint that the Latah County deputy enforcing these signs has been unreasonable in his approach. In some cases that may be true. The driver violating signage may have had what to him made good reasons or going the wrong way. And an alternative route may indeed have been an inconvenience. But who says convenience is first among our priorities in getting through this project? The signs and the deputy are there to help assure safety for everyone, not convenience for a few. And besides, now isn't forever. We all need to loosen up a bit.

The contractor's schedule this week calls for pouring concrete for all the intersection radiuses between Mill and 5th Street and laying out private driveways. Sidewalks will be going in between 1st and 3rd on Wednesday through Friday. Plans for excathe park side of Main but leaving sidewalks in for now on the busimoved in front of businesses, they Deary was playing without five will be promptly replaced.

Paving this week will see the socalled first lift applied between 3rd Deary rolled up 30 points in the lift applied between Mill Street and first quarter and 26 more points in 5th. And please, no vehicles left on second period to lead 56-14 at the the street while all this is going on. Backfilling of the areas between the Tiger running back Tim Silflow sidewalks and curbs will begin later

And while an immediate applicarun and Carter ran over the con- tion of hot mix will ease the strain version. Carter scored the other on your vehicle's suspension out at Tiger score, also in the second on the railroad crossing and bridge aptoo is scheduled for paving the latter Just three played into the third part of this week. Another jolting quarter Aaron Griffin of Deary went railroad crossing, that at Mill Street. approves. That should make for a softer landing on the Latah County

side of the Potlatch! As for the stretch between 6th and 7th on Main, the State coninues to drag its feet about moving ahead with construction there. Give them credit. They're holding approval to help and cooperation, he's going to do it and, hopefully, see the whole

day time frame. With our help. And that includes following signs, driving cautiously and at reasonable speeds, and if we're business employees, parking at the designated off-site spots rather than in the construction area itself. Just keep that goal in mind: Driven' down a smooooth Main Street, in Kendrick, Idaho, with no bumps, and no regrets for the little inconveniences we have endured.

#### Education Board to **Consider Fiscal Year** 1998 Budget Requests

The State Board of Education next week will consider a recommendaslowed the harvest and the worries tion from its Finance Committee that about fire danger. The weekend the Board reserve \$3.3 million from moisture softened the roadbed en the FY 1998 higher education, vocaough to allow the county road crew tional education and community colto grade some of the washboard lege budget requests to create a special fund for top Board priorities.

The Board last year identified by 6.67% September 10, with the as one of its priorities the need to expand community-college level services for Idahoans who require some education beyond high school, but not necessarily a four-year degree. the new fund to address those and other needs.

Recommending how to meet such needs will be the task o the Board's new Access for All Committee, established to identiy priorities within the community college function at both two-year and four-year institu-

The Board meets Thursday and Friday, September 19-20( at the University of Idaho in Moscow.

The Access for all Committee will meet for the first time at the Mosrow meeting. Among the areas that will be addressed by the committee as candidates for the new special fund are:

-Career, technical and adult education;

Services for at-risk populations, including academic skill development, work-based literacy, dislocated worker training and displaced homemaker services; –Hispanic and Native American
