FOR COUNTY **COMMISSIONER** 

As a candidate for Latah Commissioner I am often asked: What about property taxees?"

There are things we can do to keep our property taxes from skyrocketing even higher. I would work for equalization and impact taxes. And, I would work with our legislators to get the same tax options that some Idaho already enjoy.

If you elect me county commissioner I will look out for all of the residents of Latah County and work to keep our taxes fair.
