Deanna Schroeder and her mother Alice San Filippo left Thursday by car to return Alice to her Mira Loma, Calif. home. Deanna plans to visit for a couple of weeks before returning home. Meanwhile Jeff Schroeder has had several visitors including Todd Bailey.

Nikki Keele of Crescent, Okla. has been visiting Clinton and Ethel Smith and other friends in the area. She drove to Spokane Friday to enplane for her trip home.

Jody Smith enjoyed an M&M's women's group get-together at the home of Lynn Rains in Deary Monday. Tuesday grandson Scott joined her for the weekly trip to Lewiston.

While there they called on her mother Betty Stone and had a brief visit with her aunt Barbara Goodrich who was visiting from Carmichael, Calif. Scott and all the Smiths were excited Saturday morning at the birth of his very own baby filly. The little horse is creamy buckskin in color and is named Bliss. Almost everyone attending Helmer Days heard about her as Scott and grandma Jody attended the celebration. Visiting the Smith farm this week have been Jeff Schroeder, Brandon and Leaton Slaughter; Jake Beyer and his three grandsons from Bovill; Don Smith of Moscow; Kary and Wanda Enger, and son Jim Smith and daughters Sarah and Alissa.

Arnold and Lois Mael visited the Engers this week and Kary called on his sister-in-law and her husband Inez and Terry Willenborg at Juliaetta.

Blood Drive in Kendrick Monday, June 30

It's good for you to donate blood! Giving blood not only saves lives, but it is actually good for you. Giving blood can help reduce the risk of heart attacks in adults over the age of 45. It is also a good way to monitor your health. At a blood drive you have your blood pressure taken, heart rate, iron level and your temperature checked. When we donate blood we feel good because we're helping others. Donating blood is also safe! Every precaution is taken when donating and handling blood. A screening process and testing of blood also ensures a safe blood supply.

If you are willing and able, please help by donating blood Monday, June 30 at the Kendrick Fire Station. This blood drive is sponsored by the Kendrick-Juliaetta Lions Club and will be administered by the Inland Northwest Blood Center of Spokane. A few volunteers that are unable to give blood are needed as well as lots of blood donors.

We need to schedule as many donor appointments before the drive as possible. Call Ron or Lynnette at 289-5502 to get a time slot that works for you or for more information. Walk-ins are welcome but a small wait will need to be expected without an appointment. All elig-

ible donors and volunteers will receive a free custom INBC T shirt. "Donate Blood—Give Another Day."

latch River within the city limits of Kendrick, ID. Work must be completed within 10 days of Notice to Proceed. All work below the "Mean High Water" level must be completed by August 31, 1997.

Bids will be opened publicly at the aforementioned time and place. Bidders and other interested parties are invited to be present at the bid opening.

A public Works Contractors License for the State of Idaho is required to bid on this work. All bids shall be accompanied by a bid bond, or cashier's check, made payable to the City of Kendrick, ID in the amount of not less than 5 percent of the total amount of the bid.

Pre-Bid: A pre-bid walk through of the project will be held at City Hall and the project site on July 2, 1997.

The City Council of the City of Kendrick may by resolution reject any and all bids and make further calls for bids in the same manner as the original call. The City also reserves the right to waive any informalities in the bids received. No bidder may withdraw his bid after the hour set for the opening thereof unless the award of contract is delayed for more than thirty days.

Curb-Side Recycling in Kendrick each Thursday morning

In cooperation with the City of Kendrick, Dave Dean of Davey's Recycling, will be in Kendrick each Thursday morning to pick up recyclible items if placed at the curbside.

Here is what is being accepted at this time:

- Newsprint
- Magazines
- Cardboard (corrugated & uncorrugated)
- Clear Glass
- Tin Cans
- Aluminum Can
- Plastics No. 1, No. 2 & Milk Jugs

THE FOLLOWING IS SUGGESTED:

- Please don't use plastic bags for recyclibles.
- Please have items out by 7:30 a. m. Thursdays
- It would help if you would rinse all cans and make sure they are empty. You do not have to take the labels off.
- Cardboard must be flattened. It would be very space saving if everything else was also flattened.

LTC Doesn't Mean 'Leave to Chance'— Understand Your Options

(Article provided courtesy of Bankers Life and Casualty Agent Len Spreiter.)

The life of long term care may conjure images of checking into a retirement home some far time in the future. However, the concept of Long Term Care actually covers a range of services available to improve or maintain the quality of life for people with disabilities . . . regardless of age.

The need for long term care can occur at any time in life, due to accident, illness or infirmities due to aging. Whatever the circumstances, two questions arise:

1. Who will provide the care and how will it be paid for?
 2. Knowing and understanding your long term care options may help make some decisions easier.
- Housing Options—Where to go when recuperating from illness or injury:
- * Nursing Homes are categorized as "skilled nursing," "intermediate" or "custodial care." Skilled nursing involves 24-hour specialized medical care. Custodial care refers to assistance with non-medical activities

such as bathing, grooming, etc. Most long term care is custodial.

- * Assisted Living Units vary from single rooms to apartments and serve those who need daily assistance with meals, dressing, etc., but not constant care.

- * Home Care Options—Volunteers and paid professionals bring a wide range of services to the home
- * Home Health Care is skilled medical care offered by a nurse or physical therapist.

- * Personal Care offers assistance with eating, dressing or other activities of daily living.

- * Homemaker/Chore Service provides help around the house through volunteer and paid programs.

- * Home Delivered Meals, such as "Meals on Wheels," help the home-

- * Adult Day Care covers a variety of support services, social interactions and services.

- * Congregate Meals provide nutritious meals in community settings.
- * Transportation / Escort Services provide transportation to and from appointments, shopping centers, etc.

One Concern: Although there are a number of excellent options available for long term care, many of these options can be expensive. Nursing home costs run between \$20,000 and \$60,000 per year with the average being around \$35,000. Just as bad, home health care costs have increased 700 percent over the last decade. Finally, paid services provided in the home or community range from \$5.20 per hour or up to \$60,000 per year for intensive home care.

Fortunately, there are ways to manage the financial strain. Perhaps the most cost effective, many experts agree, is long term care insurance.

Long Term Care Policy Basics: Quality policies offer a variety of options, including nursing home care both skilled and custodial. Some policies also cover services provided in adult day care centers or other

Roy and Donna Syverson drove to Pendleton, Oregon Saturday with their daughter-in-law Melissa Syverson and son C. J. to meet her parents Mr. and Mrs. Al Wheeler of Caldwell. Roy and Donna drove on to Pasco to visit Vicki and Len Wise, old neighbors from Seattle, returning home late Saturday. Jo and Cecil Brammer attended

community services. Many policies offer home health benefits at lower levels than nursing home benefits.

Benefit periods range from one (or two in some states) years to a lifetime, depending on the insured's anticipated needs. Rates on Long Term Care policies are same for men and women, but are based on age.
