

Letters to the Editor . . .

Editor: June 27
I found some pleasant surprises on a recent local shopping trip. There were plenty of sale flyers with coupons available at Phil's Family Foods, I got the things I needed, and found some items on sale at very competitive prices. Everything I wanted was in stock, with ample supplies of all the sale items that I looked for. Drywall screws and caulking compound were cheaper at Fleming Equipment than anywhere else, and yes, that includes Walmart. Our local merchants are working hard to earn your business. Stop and check them out for yourself, you'll be glad you did. Steve Parks Kendrick

TO the Editor:
As the summer officially arrives and the weather heats up, The Humane Society of the United States (HSUS) reminds readers that pets, like people, can suffer from the heat—especially when left in a parked car.

Like their owners, companion animals enjoy the opportunities warm weather provides for outdoor activities. However, the needless suffering and occasional death, of an animal imprisoned in a car on a warm day is a tragedy that is entirely preventable.

On a hot and humid day, the temperature inside a car rises very quickly. On an 85-degree day, for example, the temperature inside a car with the windows open slightly will reach 102 degrees within 10 minutes. After 30 minutes, the temperature will reach 120 degrees. On warmer days, it will get even hotter. A dog's normal body temperature is 101.5 to 102.5 degrees. A dog can withstand a body temperature of 107 to 108 degrees for only a very short time before suffering irreparable brain damage, or even death.

Although many pet owners may not realize the danger of leaving their dogs in parked cars even for a few minutes, their ignorance may prove fatal. A brochure to educate others about the hazards of leaving pets in hot cars may be obtained from The HSUS. It can be placed on a car, in store windows, or on bulletin boards. Please send a business size, self-addressed stamped envelope with your request for flyers to: "Hot Car," The HSUS Northern Rockies Regional Office, 490 North 31st Street, Suite 215, Billings, MT. 59101.

Sincerely,
Dave Paul

Stony Point News—

On June 21st Howard Hoskins of Springfield, Mo. arrived for a visit with his parents Wayne and Wanda Hoskins. They all attended the wedding of granddaughter Stacey Hoskins and Kevin Higby, both of Bellingham, Wash. Stacey works for Hoskins Trucking and Kevin is a construction worker. It was a lovely wedding with many family members present from far and near. The happy couple went to Hawaii for the honeymoon.

On June 29 the Hoskins set out in their 5th wheel for Hat Rack, Or. to attend the Hoskins Cousin Reunion. Fifty dear ones were there including ones from Pinville, Or. and Reedsport, Or., and two couples from Sun City, Ariz. Wayne and Wanda had a good visit and feasts. The travel time allowed time for listening to good tapes.

Tuesday the Hoskins were given a nice surprise with a visit from their niece and husband Evelyn and Carl Dahberg of Bonners Ferry. They had not seen each other for some time and had a good visit.

Sign Up Now for Swimming Lessons

Please sign up for swimming lessons now. A special Fish and Minnow session begins July 14 and continues until July 25. There are two classes of each offered and there are still 6 openings in each level. The August 4 to 15 session is filling fast but still has openings at all levels. Please sign up at city hall. Your lesson will be reserved when the fee has been paid. The fee is refundable only if the child is too ill to take the class.

A WORD OF THANKS
We want to thank Phil's Family Foods for delivering our groceries. Thanks also to Ross Armitage for taking care of our mail and to Ron and Phyllis Berg and family for all they have done for us. Many thanks to all for your kindness. We appreciated it so much.

Tiger Babe Ruth Baseball Team Wins, Loses in Tournament

The Kendrick Tiger baseball team opened Babe Ruth tournament play June 24 against the Genesee Yankees. The Yankees placed 3rd in the East Division and the Tigers placed 2nd in the West Division. The Tigers reversed an earlier loss by recording a victory by an identical 6-5 score.

Genesee scored first on an RBI double by Jesse Ahern and at the end of the 3rd inning led 1-0. Kendrick evened the score 1-1 in the top of the 4th inning on a single by Andrew Heimgartner and an RBI double by David Agee. However the Yankees scored 3 times in the bottom of the inning to take a 4-3 lead and led 5-3 at the top of the 7th inning. The Tigers proceeded to score 3 runs on 4 base hits to take a 6-5 lead. The Yankees were unable to score in their last at-bats as Jody Brown struck out the last 2 batters to preserve the win.

Once again Joe Vieth pitched well for the Yankees going all the way on the mound. He gave up 6 runs on 7 base hits and 2 Yankee errors and recorded 6 strike outs. Jody Brown pitched 5 innings, was relieved for the 6th inning by David Agee and reentered the game as pitcher in the final inning. Brown gave up 4 runs on 4 hits and 4 Tiger errors while recording 14 strikeouts. Agee allowed 1 run and 1 hit and 1 error and recorded a strike out.

Offensively for Genesee Jesse Ahern, 2B, 1 RBI; Rocky Allen 1B; Bob Loftus 1B, 1 RBI; Ben Moser, 1B; Sean Zenner 1B, 1 RBI; Joe Vieth 1 RBI. Andrew Heimgartner led the Tiger offense with 3 singles and 2 RBIs; David Agee had a double and 1 RBI. Jody Brown also doubled and had 2 RBIs; Christopher Gibbs-Dunake and Robert Magnuson each had singles.

In their second game of the tournament the Tigers faced the Potlatch Pirates, the No. 1 seed from the East Division with a 13-0 record. Although the Tigers played well in the field they lost by a 10-3 score as they could only manage 2 hits off Pirates pitchers Dusty Ficus and Aaron Stuvland. David Agee pitched very well for the Tigers until tiring in the 6th inning.

In their final game of the tournament, the Tigers were playing the Moscow Orioles for 3rd or 4th place. The Tigers were leading 5-2 in the bottom of the third inning when the game was suspended until Tuesday night due to heavy rain. The final result will be reported next week.

Magnuson Ladies Return From European Tour

Anna Magnuson of Kendrick and her grandmother Lucille Magnuson of Moscow returned Thursday from a pleasure trip to Italy, England and Ireland.

In Naples they visited Anna's cousin, Lenea Magnuson Pierzchanowski and Lenea's husband Paul. While there they enjoyed an afternoon with Ida Glenn Heimgartner, formerly of Kendrick.

In England they were guests of Ellen Magnuson's mother, Ruth Perkins and Mary Stewart.

A side trip to Ireland enabled them to view the ancient book of Kells at Trinity College, Kilkenny Castle, Waterford Glass display, and Dublin's fair city cathedrals and art galleries.

In England they attended the theatre at London's beautiful Haymarket Theatre, St. Paul's Methodist Church, toured an art school and its galleries and several cathedrals. One day was spent at Brighton Beach, where the sun was most welcome, as all the other days were rainy in England and Ireland.

In Italy the touring included Vatican City, the Coliseum remains, beautiful fountains and historic art work and famous buildings. The Isle of Capri was most beautiful, its blue Grotto a thrill.

Pompeii and Mount Vesuvius, Caserta Castle, Sorrento, and Amalfi were enjoyed even though the weather was very hot and humid.

White Sox End Babe Ruth Baseball Season with 12-8 Win

The K-J White Sox ended their season with a win, taking their final play-off game against the Royals by a 12-8 margin.

Nate Eichner went all the way on the mound for the Sox. Justin Clemenhagen hit a triple for the local team and doubles were collected by Tyson Steigers, Kyle Hoisington and Travis Ruff. Singles were hit by Trevor Groseclose, Tim Silflow, Justin Clemenhagen and Silas Parks. Malcolm Clemenhagen also scored for the Sox.

The team and parents offering appreciation to Jarrod Silflow for coaching the Sox this season. It was a time for learning more about the game and to have fun as a team.

Local Blood Drive A Great Success: 56 Pints Donated

Sixty-five donors participated in the blood drive Monday, June 30 sponsored by the Kendrick-Julietta Community Lions Club.

In a well-outfitted blood mobile, the Inland Northwest Blood Center drew 56 pints of blood, six pints over the goal of 50. A pleasant staff of five nurses, one driver/date-entry person and one volunteer worked diligently from noon to past 6:00 p. m. The Lions Club wishes to thank everyone who came to donate, volunteered and helped make the blood drive so successful. The Blood Center was very pleased with the turnout and is willing to return on a regular basis.

Most of the blood will be given to the K-J community for credit when someone is in need of blood in Spokane or other hospitals served by the Blood Center. Look in a few months for information on the next blood drive.

Pioneer Days will be Topic at Library July 3

The Summer Reading program, "Timeless Treks" visited the time of the dinosaurs with Marv Eveland on June 26. A group of 40 children and 10 adults enjoyed looking at Mr. Eveland's many fossils and listening to the dinosaur facts. Everyone then received a series of dinosaur pictures to take home to color and cut out.

This Thursday, July 3, will feature a trip to pioneer days with Cynthia Nye. All our programs are free and open to all area children. All children are welcome to come in and sign up for the program to read the required number of books and receive a prize book and other prizes from the library.

The schedule for the remainder of the summer will be as follows: July 10: Storytelling with Betsy Bybell

July 17: Ocean voyage with sea shells, Dave and Bryan Jones.

July 24: Medieval Festival
The children who have completed the program this week are: Terrance Rice, Justin Anderson, Lynnae Anderson, John Liedkie, Brandi Gustason, Catlin Clemenhagen, Dakota Smith, Erin Cordray, and Tyler Smith.

For more information drop in during open hours or call 276-7071. Open hours: Monday 3 to 6, Wednesday 3 to 8, Thursday 10 to 6 and Saturday from 10 to 12.

KCK Enjoyed a Cool Outing Near Cameron Spur

The Kendrick Camper Klub had an enjoyable outing as members camped near Cameron Spur over the weekend. Members making the trip were Roy and Edith Johnson, Fred and Alice Snyder, Wayne Wegner, Elmo and Marge Eldridge and their great-grandson Thomas Eldridge of Spokane.

The weather was cool and breezy Friday morning and the temperature dropped to 32 degrees. They enjoyed riding 4-wheelers, target shooting, and board games. Beautiful campfires and a marshmallow roasting were evening events. Wayne played his harmonica and Fred Snyder showed a film on National Parks which was very interesting. Jim and Jeanette Theil and Reba Toomey joined the campers for the traditional Saturday noon potluck.

The friction match was invented in 1827 by John Walker, an Englishman.

June 30 Rain Adds To Kendrick's Total

A heavy rain Monday evening was welcomed by almost everyone except farmers who were in the middle of the haying season. Rain began in the early evening June 30 and continued on into Tuesday morning. The Monday rain brought the total moisture figure to 1.06.5 for the 30 days, reported Frank Dammarell, who records rainfall at his ranch in the SW section of Big Bear Ridge.

Measurable rainfall for the month of June was:

| | |
|----|------|
| 4 | .01 |
| 5 | .025 |
| 11 | .02 |
| 22 | .05 |
| 29 | .01 |
| 30 | .05 |

Total 1.065
The low temperature for June was a brisk 40 degrees on the 27th and the high reached 82 degrees on the 8th.

Thanks for the info, Frank

Community Market Will Replace Friday Farmers Market

The local farmers market has been replaced by an expanded market, the Juliaetta-Kendrick Community Market. This market will include antique and retail sales vendors in addition to the usual craft, plant, art and produce vendors that are traditionally included in a farmers market, said Phyllis Berg, coordinator of the event.

The community market will continue to be held at the Kendrick City Park on Fridays from 10 a. m. until 4 p. m. However there will be weekly entertainment that will be occasionally scheduled for Friday evenings. The July entertainment will include the Idaho Old Time Fiddlers on July 25 from 10 to 11:30 a. m. and the Country Classic July 18 from 10 to 12 noon. Donations will be appreciated to help cover the entertainment cost. That particularly applies to the Idaho Fiddlers who are limited to "donations only" for expense compensation.

The expanded market, beginning with an International Market on July 11, will continue through Sept. 26. Local vendors and non-profit groups are to participate at the weekly market.

During the July 11 market everyone is invited to sign up for TNL merchandise certificate drawing. The certificate is courtesy of Linda Heath, a local vendor, who offers a wide selection of quality merchandise on some of the community market days.

A special thanks for past market participation, to Flag Day participants Frank Dammarell and Cub Scout Pack 101, Accordion Awareness Day participants Newell McGahey, accordion player, Millie's Music Emporium of Lewiston and local musician/composer Roy Talley who shared some guitar selections, plus members of the Moscow Recycling Center who provided composting and recycling information. Contact Phyllis Berg for more market information at 289-5302.

Western Farm Service Tour and BBQ July 10

Western Farm Service will host a grower tour and a barbecue on Thursday July 10. Growers wishing to participate are asked to assemble at the plant in west Kendrick at 1:30. Highlighted will be a fertility study of winter wheat, a foliage study of legumes; seed treatment study of peas and barley and a winter wheat variety study.

A barbecue will follow the tour at LaBaron Park in Cavendish.

Western Farm Service extends a cordial invitation to all area growers to attend.

FROM THE EISELEN FAMILY

We would like to thank Judy Foster, Jim Lohman, Lori Warner, Linda Lohman, Opal Lohman, Tim Lockett, and Scott Corkill for the very quick response last Thursday getting to Kai and getting him to Gritman as soon as possible. Also to Robert . . . our many heartfelt thanks . . . words could never express how much you mean to us and what you did for Kai.

We appreciated the many phone calls and thank you you all so much again.

Sincerely,
Kai, Anna and
Katie Eiselein

Kelly went back to Spokane Monday and did some sight-seeing. Darren, Linda and baby returned Monday evening and left for Hailey Tuesday morning.

Thelma A. Meyer, Church, Community Leader, Passes

Thelma A. Meyer, 91, a long-time Leland farmer and homemaker, died Wednesday, June 25, 1997, at St. Joseph Regional Medical Center in Lewiston of causes related to age.

Thelma Augusta John was born on August 21, 1905 in Butteville, Oregon to Ernest and Otelia Schmidt, pioneer settlers from Illinois. After a few years they moved to a homestead in Arlington, Oregon where she started school.

In 1916 the family moved to Leland where she continued on in school through the eleventh grade which was as far as the school went at that time.

The family began attending the Lutheran Church in Cameron and there she met Herman Meyer whom she married on May 21, 1924 at Cameron. They had five children, four girls and one boy. They farmed near Leland until Herman died in 1963. She lived on the farm until her death.

She was baptized and confirmed in the Lutheran Church and was an active and lifelong member of that church. Thelma served in many offices in the Ladies Aid, taught Sunday school for about 30 years, and held regional offices in the women's organization of the church. When she was teaching the kindergarten class of which her granddaughter was a member, all the children started calling her "Grandma Meyer."

She pieced hundreds of quilts for her family and Lutheran World Relief and helped the Ladies Aid make thousands of pounds of soap in her shop for Lutheran World Relief. She and the other soapmakers were featured in the Idaho Centennial series, "Proceeding on through a Beautiful County." Every other Wednesday would find her at the Ladies Aid Hall, and later the church downstairs, at Ladies Aid helping make quilts for the annual bazaar and dinner.

For about 20 years Thelma served faithfully as a volunteer for the American Cancer Society. Thelma was one of the people who got 4-H started in this area. She taught many local children (almost 100% of whom won blue ribbons) to cook and sew through her 4-H leadership which lasted for 25 years.

In 1960, she was nominated as Idaho Mother of the Year. In 1997 she was chosen along with her sister Margaret Parks as one of the Grand Marshals for the Locust Blossom Festival parade in Kendrick, but she was not able to attend because of illness. She was a member of the Golden Sunset Senior Citizen group in Kendrick.

She is survived by four daughters, Margaret Silflow, Hermina Meyer and Loeda Reil, all of Kendrick, and Dorothy Schnable of Moscow; one daughter-in-law, Marlene Meyer of Kendrick, a foster son Lawrence Abitz of Seattle; nine grandchildren, Dale Silflow, Mariann Chase, Jack Meyer of Kendrick, Carolyn Silflow of Roseville, Minn., Joan Tiede of Culdesac, Karen Larson of Lewiston, Heidi Reil of Spokane, Susan Kelly of Wendell, N. C., and Cathi Cochran of Yuma, Ariz.; three foster grandchildren Donna, John and Steve; two step grandchildren, Marvin and Ellen; 13 great-grandchildren; eight foster great-grandchildren. Also surviving are two sisters, Margaret Parks of Kendrick and Myrtle Christensen of Spokane; and two brothers, Gerald Schmidt of Kendrick and Sherwin Schmidt of Grandview, Wash.

Her son, Theodore Meyer, died in 1995. The funeral was held Monday at the Cameron Emmanuel Lutheran Church and burial followed at the Cameron Emmanuel Lutheran Cemetery.

Memorial contributions may be sent to Cameron Emmanuel Lutheran Church, Kendrick or to the Juliaetta - Kendrick Ambulance Fund, P. O. Box 182, Kendrick.

Park News
 by Judy Smith

Park folks finished off June with the biennial Park Reunion Picnic at Boulder Creek Campground. The last Saturday in June, every second year, is set aside for present and former residents and friends to get together for a potluck picnic and an afternoon of shared memories and catching up. This year only 24 attended but with enough food for an army and cooperative weather, it was a fine day.

INVITATION FOR BIDS

Sealed bids will be received until 2:00 P. M., July 10, 1997, at the office of the Superintendent, Kendrick Joint School District No. 283, 2001 Highway 3, Kendrick, Idaho, 83537 for ASBESTOS ABATEMENT-HIGH SCHOOL. Bids will be opened on that date and evaluated by the Kendrick Joint School District No. 283 after which an award will be made by the School District.

In general the work consists of the following:

Removal and disposal of non-asbestos floor tile and asbestos containing materials (ACM) mastic from within three rooms within the High School. Includes all associated containment barrier installation and cleaning / decontamination required to complete the work.

Work on this project is scheduled to be performed over 10 days starting approximately July 28, 1997.

This is a lump sum bid and the bidder should visit the site to familiarize himself with site conditions and verify the quantities of materials to be removed. A non-mandatory pre-bid walk-through will be conducted at 1:30 P. M., Tuesday, July 1, 1997. Contractors shall meet at the High School lobby area.

Bids shall be submitted on the form provided with the contract documents. Contract documents may be secured at the office of MCS Environmental, Inc., at 2104 Reserve Street, Missoula, MT 59801, or they will be mailed upon calling (406) 728-7755 or a faxed request at (406) 728-7367.

Bids shall be accompanied by a bid bond in the amount of 10% of the total bid, such security to consist of cash, cashier's check, bank money order, bank draft, or bid bond or bonds. In addition, the successful bidder will furnish an approved Performance Security and Labor Materials Security in the amount of 100% of the contract.

Each bidder and subcontractor must have a valid Idaho Public Contractor's License in the proper classification. The successful bidder must also comply with and pay fees for permits and accreditation outlined in the applicable Idaho Codes.

The School District is committed to the non-discrimination against any employee or applicant for employment because of race, color, religion, sex or national origin.

No bidder may withdraw his bid for at least 30 days after the scheduled time for receipt of bids except as noted in the Instruction to Bidders. The Owner reserves the right to reject any or all bids and to waive any irregularities or informalities.

INVITATION TO BID CITY OF KENDRICK, IDAHO

Sealed bids will be received by the City Clerk of the City of Kendrick no later than 11:00 a. m. PDT on Tuesday, July 8, 1997, at City Hall, P. O. Box 195, Kendrick, ID 83537 for the following work.

1997 STREAMBANK STABILIZATION FOR THE PROTECTION OF A WATER MAIN

The project will consist of riprap bank stabilization along the Potlatch River within the city limits of Kendrick, ID. Work must be completed within 10 days of Notice to Proceed. All work below the "Mean High Water" level must be completed by August 31, 1997.

Bids will be opened publicly at the aforementioned time and place. Bidders and other interested parties are invited to be present at the bid opening.

A public Works Contractors License for the State of Idaho is required to bid on this work. All bids shall be accompanied by a bid bond, or cashiers check, made payable to the City of Kendrick, ID in the amount of not less than 5 percent of the total amount of the bid.

Pre-Bid: A pre-bid walk through of the project will be held at City Hall and the project site on July 2, 1997.

The City Council of the City of Kendrick may by resolution reject any and all bids and make further calls for bids in the same manner as the original call. The City also reserves the right to waive any informalities in the bids received. No bidder may withdraw his bid after the hour set for the opening thereof unless the award of contract is delayed for more than thirty days.

Curb-Side Recycling in Kendrick each Thursday morning

In cooperation with the City of Kendrick, Dave Dean of Davey's Recycling, will be in Kendrick each Thursday morning to pick up recyclible items if placed at the curbside.

Here is what is being accepted at this time:

- Newsprint
- Magazines
- Cardboard (corrugated & uncorrugated)
- Clear Glass
- Tin Cans
- Aluminum Can
- Plastics No. 1, No. 2 & Milk Jugs

THE FOLLOWING IS SUGGESTED:

- Please don't use plastic bags for recyclibles.
- Please have items out by 7:30 a. m. Thursdays
- It would help if you would rinse all cans and make sure they are empty. You do not have to take the labels off.
- Cardboard must be flattened. It would be very space saving if everything else was also flattened.

Safe Driving Tips For Senior Citizens

Though there are bikes, trains and sidewalks, most Americans rely on their car when it comes to getting from one place to another.

And it's there, behind the wheel, that many people notice the first signs of aging.

"Driving is one of the most complex activities we do, so it's no surprise that it's affected very early by changes accompanying older age," explains Dr. Rebecca Logsdon, assistant professor of psychiatry and behavioral sciences at the University of Washington School of Medicine. "This doesn't mean that people have to stop driving; they simply need to identify the problem and find ways to compensate for it."

Changes in driving skills first start around age 60, when people may report they don't feel as comfortable driving as they used to. These problems can be related to a number of different causes. Among the most common are age-related changes in vision. Logsdon explains that as people age they may experience a reduction in their field of vision. Additionally, it becomes more difficult for eyes to adjust and focus on different objects. This problem is intensified at night, particularly when trying to recover from the glare of headlights.

Arthritis or physical pain can also limit driving abilities such as be-

ing able to completely turn the head to look for traffic or operate a car with manual transmission.

Reaction time also decreases with age. Though it may not be obvious in other activities, a delay in response time can be quite noticeable in unexpected driving situations. Illness can also affect driving abilities as people age. These include cardiac conditions, dementia, Alzheimer's disease, Parkinson's disease and other problems.

To help address these problems, Logsdon recommends that seniors speak with their physician and follow his or her advice regarding possible driving limitations. In addition, the American Association for Retired Persons offers a driving course called 55-ALIVE to help seniors focus on safe driving skills.

Logsdon notes that the key to improving driving skills is to stay focused on the task at hand and keep distractions to a minimum.

Tips to decrease distractions include:

- Turn off the radio
 - Avoid driving during heavy traffic or during bad weather
 - Avoid driving at night
 - Don't drive a car you are unfamiliar with
 - Be especially cautious when driving in unfamiliar areas.
- "Of course this is good advice for anyone driving a car," Logsdon notes. "Seniors just need to be extra aware and alert when on the road."

Logsdon notes that friends or relatives, especially adult children of older parents, may be ones to approach a senior with concerns about driving. While it's fine to raise concerns, she notes relatives should help the senior identify specific problems and possible solutions and encourage an objective driving evaluation if there is disagreement.
