## Heimgartner Fiftieth Wedding Anniversary Reception Sunday, July 27

Floyd and Elizabeth Heimgartner of Juliaetta will celebrate their 50th wedding anniversary at a reception to be held from 2 to 4 o'clock Sunday, July, at the V. F. W. Hall in Kendrick.

Floyd Heimgartner married Elizabeth Burns June 15, 1947 at Lewiston.

After briefly attending the University of Idaho, he enlisted in the navy and trained as an Avenger torpedo bomber pilot. Following his discharge from the military he farmed for several years at Stony Point with his brothers and father. He was selected as the postmaster at Juliaetta and held that position for 26 years until his retirement in 1983. Betty was the postal clerk for 24 years and then was appointed postmaster for six years until her retirement in 1989.

Floyd was a member of Board of Trustees of Kendrick Jt. School District No. 283 for nine years; the Juliaetta City Council clerk for ten years and is a charter member of the

Juliaetta-Kendrick Ambulance Service.

Betty was instrumental in securing a branch of the Latah County Library in Juliaetta and Floyd did most of the remodeling for the library site. In addition to being an active volunteer for many organizations she currently is a member of a bridge club and treasurer of the Juliaetta Community Church. Whenever possible she takes art classes.

They both enjoy golf, watching their grandchildren's varied sporting events, traveling extensively, and have helped make the Juliaetta Centennial Park and its baseball field a reality. Both are active members of the Juliaetta Community Church.

The couple's four children, Carol Bartleson of Whidbey Island, Wash.; Capt. Kenneth Heimgartner, USN, of Italy; Mark Heimgartner of Juliaetta; and Joyce Leffler of Vancouver, Wash., will host the event. They also have 11 grandchildren.

## Some Bang-Up Fourths Remembered, And Not a Fizzler Among Them

By Frank Jacobson

Kids today just don't have a fourth of July like we used to when firecrackers were legal. Dangerous, true. But not any more so than the aerial rockets that head off into space and then fall into the weediest lot in the neighborhood!

No, firecrackers were dangerous for the careless and the inattentive. Especially when they were being held when the punk was put to the fuse. A kid had better have a clear idea of just what he was going to do with that firecracker once the sizzle started. Get rid of it! But not at the feet of your Mom or Dad!

I remember once I had lit one on the "boardwalk" at Santa Monica, California. And it was a flash cracker. Silvery powder. Hell of a blast. But I hadn't planned where I was going to throw the thing. So I ended up holding onto it and having it nearly blow a couple of fingers off. Or at least it seemed that way.

What do you do for a kid who had just practically blown himself up? Distract him. My Uncle Al did. He bought me a hamburger. And you know, it worked. To this day I can remember that hamburger as the best one I ever had! But later at home they put butter on my fingers. Today you'd reach for the bag balm.

Not everything was dangerous on the Fourth, of course. There were torpedos that looked like a jaw-breaker covered with bits of paper. Throw one against the sidewalk and BANG! The black powder firecrackers didn't have much of a kick. And the lady fingers, so called, were really child's play. One thing a kid learned in handling firecrackers was patience. Because that's what it took to unravel the wicks that had been braided together. Get careless and you end up with a fuseless firecracker. And the only thing you can do with one of those is to split it in half, put it on the sidewalk, put the punk to it and watch it spin about. Not too exciting.

During the war—the Big One—two Fourths stand out in my memory. That in 1944 when there were NO fireworks. Who needed them? Not on a troop ship crossing the Atlantic in a convoy. When night came, of course, we couldn't even be up on deck to watch the heavenly fireworks. It was a different kind of

Fourth, for sure. One of the ten-best I can ever remember. In contrast, the Fourth in 1945 was a rouser! Well, actually it was Bastille Day and we were celebrating with the French as we marched down the avenue in Casablanca. It was not a dry day. I remember that. The Pink Elephant Club was rocking with GI's celebrating.

The Fourth in 1976 at Kendrick's School of Country Living was also memorable. Also not dry. And LOUD. Very loud. The darning, with plenty of experience dealing with the silvery flash crackers of old, were using black powder to see how high in the air they could blow the blacksmith's anvil. I remember it as a day of sharing, too. Money was not plentiful among the young staff members, but whatever they had they shared. And Roy and Mabel Glenn came to celebrate with us—Mr. and Mrs. Uncle Sam, with Roy all decked out in a fancy red-white-and-blue outfit that Mabel had made for him. He held a pretend auction, and among the items he "sold" was my classic Martin acoustic guitar. Jim Fey has never forgotten. He's still after me to sell it to him, after all these years.

Well, another Fourth has come and gone. This one was quiet. In bed early. No aching fingers. No ringing ears. A little dull really. Not like those earlier ones. So much to remember. Especially that hamburger!

## School-to-Work Group Meeting Postponed

The school-to-work focus group session has been postponed, according to K-J Community Development representative Phyllis Berg. The meeting has been planned for July 30, but Laurie Moyer, Valley Partnership Coordinator, announced that joint meeting with the Prairie Council will be held on that date instead. That meeting will enable Larry Rhodes, the focus group consultant, to provide the Valley and Prairie councils with needed information prior to the focus group meetings. The new date for the Kendrick-Juliaetta focus group session will be provided as available.

London's Heathrow Airport is one of the world's busiest with 47.7 million passengers a year.

## Community Tile Mural Project Is Underway

Installation began Tuesday morning, July 15, for the community tile mural on the outside walls of the public restrooms across from the Kendrick City Park. Maggie Fuhrman will install the tiles with help from volunteers from the local art club, youth from the community, and from Peggy Bertenshaw, Kendrick High School art teacher.

Work will continue during the next few days and volunteers are welcome to come join the early morning workers.

The public restrooms were prepared for the mural by sandblasting the walls and installing new doors with frames. Many thanks to Hosfurther Sandblasting of Lewiston for the excellent work, which was provided for half-price, according to Ellen Magnuson, K-J Arts Committee president. Thanks also to Steve Howerton for his work on door installation.

The mural project is being funded through an Idaho Commission on the Arts grant.

## Letters to the Editor . . .

July 11

Editor:

There is a basic flaw in the logic of the letter of prophecy that appeared in the July 10 Gazette. The author claims all these things will come to pass because of the increased solar flare activity on our sun, that his spirit friends have warned him about. He is kind enough to share this warning with the rest of us mortals, and I have no doubt he is totally sincere.

Why, then, the disclaimer at the end, saying human free will could change the course of these events? We have no control over solar flares or other cosmic activities.

If these predictions come to pass, Mr. Meske is a prophet. If not, then he is a nice guy who is full of baloney.

S. C. Parks  
Kendrick  
P. S. Beware the Dark side of the Force, Ted.

July 12

Editor:  
I wish to retract my letter of July 2 and any of the previous writing you may have seen.

Ask and it will be given you. Seek and you will find. Knock and it will be opened to you.

NOT—write and people will pay attention. But rather, write and people will gossip. My truth may not be your truth.

I finally got the message—No one can save another. No one.

Ted Meske  
Kendrick

## Grange Meeting, Potluck Picnic Tuesday, July 22

Kendrick Grange No. 413 will hold its July meeting Tuesday, the 22nd, with a potluck picnic beginning at 6 o'clock. This picnic is open to all current, former and future Grange members. If you haven't been to a meeting in a while or if you are interested in what the Grange does, you are welcome and encouraged to attend.

Table service and beverages will be provided and in case of rain the picnic will be at the Grange Hall; otherwise, it's at the park.

Come on down and enjoy a summer evening in Kendrick with your friends and neighbors and indulge in some of the area's best cooking.

## Laird Park Campout Was Enjoyed by KCK

The Kendrick Camper Klub went to Laird Park for its scheduled outing last week. Members making the trip were Bob and Mary Ellen Bottjer, Fred and Alice Snyder, Merrill and Ruby Horney, Ernie and Mary Horney, Gordon and Frances Peters, Jim and Jeanette Thiel and Reba Toomey, Elmo and Marge Eldridge and great-grandson Thomas Eldridge.

Saturday noon the group had its traditional potluck meal. 4-wheeling, card games, walking and visiting with friends filled their time and the evening bonfires closed out the day.

## THANK YOU TO OUR EMTS

Thanks so much to Gail Stockard, Judy Foster, Opal Lohman and Faye Liedke for their excellent care and concern transporting my brother, Ray Tate, to Gritman Medical Center Sunday morning. I am grateful to the people who volunteer for the J-K Ambulance in this community.

Also thank you to Sandy and Bill at Johnson Manor and Lou Dygert for their help the past few months.

God Bless.  
Dorothy Wallace

## John M. Dennler, 46, Fix Ridge Farmer, Passes July 11

John M. Dennler, 46, a Genesee area farmer, died of a brain tumor Friday, July 11 at St. Joseph Regional Medical Center in Lewiston.

He was born October 30, 1950, in Kendrick to Thomas and Jewell Cummings Dennler. He lived on the family farm on Fix Ridge near Juliaetta and graduated from Genesee High School in 1969. He attended the University of Idaho for a semester and was a member of the Sigma Nu Fraternity.

He moved to Lewiston and worked for Lewis-Clark Heating Plumbing until he joined the Air Force in 1971. He was stationed at Brooks Air Base in San Antonio, Texas, where he married Carla J. Hicks Aug. 26, 1972.

They moved to Genesee shortly after and he worked at Broemeling Welding in Genesee for the next two years. He had farmed in the Genesee and Juliaetta area since 1964.

John enjoyed fishing hunting, woodworking and golf. He was a member of Unity Lodge No. 32, AF&AM, the American Legion and St. John's Lutheran Church in Genesee. He served on the Genesee School Board for seven years, several of them as chairman.

He is survived by his wife at their Genesee home; his parents of Fix Ridge; a daughter Krishawana L. Dennler of Genesee; a son, Jacob B. Dennler of Genesee, and a brother, Mark (Tiny) Dennler of Juliaetta.

The funeral was Wednesday at Malcom's Brower-Wann Chapel in Lewiston with the Rev. Mike Swain of St. John's Lutheran Church in Genesee officiating. Burial followed at Fix Ridge Cemetery near Juliaetta.

Memorials may be made to Genesee Fire Department.

## Tiger Babe Ruth Baseball Team Closes Season with Win

In its rain-shortened final game of the season, the Kendrick Tigers Babe Ruth League baseball team defeated the Moscow Orioles 5-2 to claim 3rd place in the 10-team tournament.

The Tigers were leading 5-2 in the bottom of the 3rd inning when the game was suspended due to a heavy rainfall. The following day the rain was still falling so the tournament officials decided not to re-schedule the game.

Raymond Harrington started things off for the Tigers with a 1st inning single and promptly stole 2nd base. Jody Brown followed with a single to score Harrington and Dave Agee stroked a single to drive Brown home. Andrew Heimgartner opened the wild 3rd inning with a towering triple and scored on a wild pitch. Harrington then drew a base on balls; Brown drove him home with a long two base hit and later scored on an Oriole error. So, in their half of the 3rd inning the Tigers had already scored 3 runs and then loaded the bases (all with no outs) when the play was halted.

Jody Brown pitched for the Tigers, giving up 2 first inning runs on 1 base on balls, 2 singles and a hit batter before settling down to record 8 consecutive outs, including 7 strike outs.

Tiger offense:  
Jody Brown: 1b, 2b, 2 RBI  
Andrew Heimgartner: 3b  
Raymond Harrington: 1b  
David Agee: 1b, 1 RBI

At the conclusion of a very fun, successful season, we would like to extend sincere "Thank You's" to:

The great players of the Tigers baseball team and their parents, coach Dave Dudunake, Asst. coach Dana Magnuson, Commissioner Dave Jones, and our willing sponsors: Gem State Lumber Co., Juliaetta Market, Brocke & Sons, TDS Telecom, American Ridge Farms, Western Farm Service, First Security Bank, Fleming Truck & Equip Co., and Lewiston Grain Growers.

A potluck picnic will be held on Saturday, Aug. 9 (details will be reported later). All those associated with the White Sox team are also invited to attend the potluck picnic.

## STONY POINT NEWS—

Last Saturday Wayne and Wanda Hoskins attended a family reunion of the descendants of Daniel and Inga Stevens, formerly residents of American Ridge, held at Beachview Park in Clarkston. They saw many relatives and had a good visit with them.

Sunday Mary Bartlett of Arizona and Joye Swan of Lewiston were overnight guests of Wanda and Wayne. They all attended a special musical concert at the Cottonwood Creek Community Church.

Monday evening the Hoskins visited with Wanetta and Rick Heimgartner.

## Sea Shells to be Talked About at Library July 17

The Summer Reading program, "Timeless Treks" will take a trip to the ocean this Thursday, July 17 at 10:30. David and Bryan Jones will be on hand with part of their extensive sea shell collection to share with those attending. All area children are invited to attend this educational and fun program and to participate in the summer reading program.

Those signed up for the program may continue to read to complete the program until Saturday, Aug. 16. Anyone reading the required number of books will receive a prize book of their choice as well as a certificate and a water bottle from Washington Water Power. The final special program will be on Thursday, July 24 at 10:30. There will be a Medieval festival with crafts, food, and jousting contest.

Those who completed the program and received their prizes last week were: Mia Cook, Zac Cook, Wyatt Cook, Kari Dammernan, April Dammernan and Alex Cordray. Congratulations to all our upper readers!

Phone 276-7071 or visit to library during open hours: Monday 3 to 6, Wednesday 3 to 8, Thursday 10 to 6 and Saturday 10 to 12.

## Gospel Music Group Will Entertain at Community Market

Classic Country Gospel will open this Friday's Community Market starting at 10 a. m. and continuing until noon. The Lewiston music group are friends who enjoy "playing together and sharing it with others." The group includes two couples, plus three additional men.

Bob Snoderly is master of ceremonies and sound person while his wife, Pauly, plays keyboard and sings. Marguerite Makin plays bass and assists in singing while her husband Harold plays steel guitar. To round out the group Earl New plays mandolin and guitar and also sings. Gifford Botts plays fiddle, and John Carpenter, an area auctioneer, sings and plays rhythm guitar.

The July 18 market will offer enough variety to include "something for everyone." Biscotto, and Italian pastry will be offered by a local vendor. Ice cream cone drawings will be held all day to observe National Ice Cream Month, which began in 1984. Moscow Recycling will offer positive environmental tips and demonstrations.

In addition, papier mache dinosaurs will be designed by kids of all ages, starting at 10:30 in the park gazebo. Parents are invited to assist and are welcome to bring dinosaur creating supplies such as newspaper, empty bathroom tissue rolls, etc. Dinosaurs will be painted the following Friday during Dino Days celebration July 25 at the market.

Congratulations to the International Day drawing winners, Connie Adams, Midge Dammarell and Joyce Stern, on winning \$5 market certificates. Thanks to TNL's market vendor Linda Heath for donating a certificate.

Additional home businesses are welcome to participate in August 1 market. Market space for product sales, service information or product demonstration is available for \$5. Contact Phyllis at 289-5302.

## DISTRICT II V. F. W. MEETING IN ELK CITY JULY 19, 20

District II of the Veterans of Foreign Wars will hold their meeting in Elk City July 19 and 20. There will be a potluck on the 19th.

## IVY I. SENDS GREETINGS—

In a short note from former resident Ivy Isaacson, she tells us that she is now confined to a wheelchair, but has recently acquired an electric scooter so that she can get about at Pomeroy, where she now lives. Ivy sends greetings and best wishes to former neighbors and to her many friends in this area.

## THANK YOU—

I would like to thank everyone who sent me flowers and cards, made phone calls and paid visits while I was in the hospital. Thanks again for your thoughts and prayers.  
Toots Glenn

Golf probably developed in Scotland around 100 C. E. from a Roman game called paganica. The Romans called it with a bent stick and a leather ball stuffed with feathers.

The smallest deer is the pudu of western South America. It is about a foot high and weighs about 20 pounds.

The highest mountain in the U. S. is Mt. McKinley in Alaska, with a highest point of 20,320 ft.

## City Makes Urban Forestry Committee Official

The Kendrick City Council has officially appointed a 5-member Urban Forestry Committee to advise the council on matters pertaining to the planting, replacement, and maintenance of trees in the City of Kendrick on and adjoining city-owned or city-maintained property. Committee members appointed are Dennis Lukecart, chair; Bob Has-soldt, secretary; George Brocke, Bill Roth, Dana Magnuson, and council member Lillian Howerton as an ex-officio non-voting member.

The committee has already undertaken a comprehensive survey of all trees on city-owned or controlled property and is presently sorting and analyzing this information. From the survey will come a prioritized list of trees which need immediate attention (pruning, trimming, removal, etc.) or replacement, locations where new trees should be placed, and a detailed catalogue of species, size, and approximate age of all the city's trees. A proposed budget will be submitted to the council at its August meeting for consideration in the City's Fiscal '98 budget planning.

Proper care and development of trees is not inexpensive, and budget considerations have often precluded optimum or even adequate maintenance over the years. For this reason the committee's early efforts will most likely consist of "playing catchup" . . . and will require more expenditures than in later years when trees can simply be maintained and enhanced as necessary. An initial project may be to clean and trim trees in the city's three parks, as funding will permit.

The Kendrick - Juliaetta Lions Club has agreed to act as a funding agency for the Urban Forestry Committee. In this way the Lions Club can assist the committee in its efforts to beautify and maintain the trees and parks within the city while providing a vehicle for financial contributions in support of the committee's activities. Lions International is a recognized non-profit corporation, and as such may receive donations and contributions which are not taxable under current regulations. Residents and other interested supporters of the Urban Forestry Committee may be able to realize some tax benefits while also helping to support the activities of the committee. Of course one's personal accountant or legal advisor should be consulted regarding specific questions of tax deductible donations.

Donations or contributions should be directed to the Urban Forestry Committee, c/o The Kendrick Gazette, Kendrick, ID 83537, or the Kendrick-Juliaetta Lions Club, P. O. Box 179, Kendrick, ID 83537.

## Summer Rec Program Activities Continue

Many individuals in the community are still enjoying the activities being offered by the J-K Summer Recreation program. Coordinator Lisa Wolff reminds us of these upcoming events:

• Water Aerobics on Tuesday and Thursdays at the Kendrick pool with Kelly Fey. \$30 for 8 sessions or \$5 per class.

• Weight room open from 6 to 8 p. m. on Mondays and Wednesdays at the high school gym. Open to all ages.

• Watch for our upcoming art classes provided by Peggy Burenshaw.

## Farewell Potluck BBQ For Waltners July 18

There will be a farewell potluck barbecue for David and Chalene Waltner Friday, July 18, at 6:30 at the Nazarene Church in Juliaetta. Punch, coffee and table service will be provided. Bring whatever meat you want barbecued and a salad or dessert. Everyone invited. Pastor Dave and Chalene will be leaving for Alaska soon.

The Artic Ocean is the smallest ocean in the world, less than a tenth the area of the Pacific.

Of Juliaetta**

Aldeana Polunsky went to California June 24 where she visited family and had an enjoyable trip. She attended her niece's wedding in Chico and visited her sister and two brothers and a step-daughter in Coulterville, Calif. She also spent time with her mother-in-law. Aldeana returned home on the 8th. Sunday Clarence and Aldeana attended the Polunsky-Polosa picnic at Big Springs, Wash. Eighty-four were present.  
 Verlin and Marilyn Benjamin went to Spokane Sunday where they spent the night and returned home on Monday.  
 Sunday after church Alice and Greg Broemeling drove to Lolo Hot Springs where they met Kim and Steve Roth and their daughter Triska and her friend Tracy Davis. The girls returned home with Greg and Alice for a week's visit.

Thursday Theda Metcalf, Elvina Wilson and Pearl Groseclose went to Couer d'Alene where they met Maude Strom and Bonnie Mitchell. Theda's granddaughter Marsha and her little girl joined them for lunch at Granny's Buffet. They had a wonderful time visiting and spending the day together. Geneva Davis and Debra Marchell of Lewiston were Saturday luncheon guests of Pearl.  
 Viola Johns accompanied Dian Groseclose to Lewiston Monday and Tuesday. Monday Wendy Parks and Aaron Clemenhagen joined them.  
 Sunday Frankie and Vaughn Alfrey of Craigmont visited with Everett and Freda Farrington and Tom and Ione Peters. Monday evening Connie Hedler served birthday cake and ice cream in honor of John and Minnie Hedler's birthdays. Present were Judy and Mandy Green, Mike Hedler and Tom and Ione Peters.  
 Thursday Milton and Marie Grant went to Lewiston where Wm. Briere joined them and treated them to lunch.  
 Thursday Lowell and Muriel Hubbard visited with Jerry and Wink Tolonen in Clarkston. Sunday evening the Hubbards were guests of Ray and Dorothy Knutson in Lewiston.  
 Gale and Mary Jo Vallem attended a wedding in Garfield, Wash. on Saturday.  
 Sharon Hoover of Arizona is visiting with Andy and Jami Brown on Fix Ridge and family in the area.

# Park News

by JOEY SMITH

After a short delay for rain, haying is again going on in Park. Only a few acres were down to be dampened by last week's rain, and since the forecast has promised at least a few clear days, crews are working long hours to finish the work.

Tuesday Jerry and Jody Smith went to Lewiston on business, stopping for a brief visit with Alan and Rosetta Lockman at Helmer on the return trip. On Thursday Jody joined other members of the Community Church at the home of Lynn Rains to help prepare for her daughter's wedding. All returned for the garden wedding of Kristen Rains to Jason Guyer, both of Lewiston, Saturday afternoon.

New neighbors in Park are Mike and Stella (Griffin) Burnette and their three children who formerly resided between Deary and Troy, now living in the Karl Enger house.

## Picking a Sunscreen Is Easy If Follow Rules

Using a sunscreen during the hot summer months is a simple way to protect against skin cancer, and selecting the proper product doesn't have to be confusing—despite all the different SPF numbers on the labels and an almost dizzying array of ingredients, says a Stanford Medical Center dermatologist.

"Each of the products is a little bit different, so it might take a bit of experimentation to find the product that is best for you. But if you follow instructions, using sunscreen correctly is easy," says Dr. Susan Swetter, assistant professor of dermatology and director of Stanford's Pigmented Lesion and Cutaneous Melanoma Clinic.

Here are some points Swetter suggests you keep in mind:

• Apply sunscreen thoroughly and evenly. The average adult needs about two tablespoons—no less—spread evenly over the entire body. Remember that light summer clothing, such as a T-shirt, generally provides only limited protection.

• Don't agonize over the SPF (sun protection factor) number. Keep it simple: While light-skinned people are more susceptible to skin cancer, all races will benefit from following the same sun protection guidelines. Most people should use an SPF of 15 if their skin is normal, or an SPF of 30 if they are taking photosensitizing medications (such as certain blood pressure pills) or suffering from a disease (such as lupus) that would make their skin unusually susceptible to burns. SPF numbers lower than 15 probably won't offer enough protection, while those higher than 30 may not offer any additional benefits.

(The SPF, incidentally, tells you

how long the product is expected to protect your skin from burning. For example, an SPF-5 sunscreen should protect your skin from developing redness five-times longer than no sunscreen at all, while an SPF 15 product should protect you 15 times longer than no sunscreen. However, the reality is that the thorough and frequent application of the sunscreen is as important as the SPF rating.)

• Buy a waterproof sunscreen. It won't be washed off quickly by your own sweat, and so is useful even if you're not going swimming.

• Check the label to make sure your sunscreen protects against both UVA and UVB light (i.e., "broad-spectrum"), since sunlight contains both types of ultraviolet rays.

• Be alert for sunscreen allergies, which may show up as rashes. If you have a skin reaction, switch to a brand with different ingredients. Generally, sunblocks with titanium dioxide are less likely to cause allergic skin reactions. Most sunblocks work by absorbing light, but the "physical" sunblocks, such as titanium dioxide, work by reflecting and scattering the sun's rays. Also, the fragrance or preservatives in a sunscreen can cause irritation, so simply changing brands (regardless of active ingredients) can sometimes be effective.

• If you are extremely sensitive to sunlight, use zinc oxide or an equivalent "sunblock" that keeps out all light. "You'll have to live with the product's white pasty look—unless you try one of the new zinc sunblocks that come in fluorescent colors," Swetter notes.

"More than a million people in the United States each year are diagnosed with skin cancer, including more than 40,000 who contract potentially deadly melanomas," says Swetter. While many of the affect-

The Kendrick Gazette, Thursday, July 17, 1997

3

ed individuals are middle-age or older, people of all ages should protect against excessive sun exposure, because cancer often strikes many years after a sunburn," she says. "These statistics are reason enough to avoid the discomfort of a sunburn and to invest in a good sunscreen."

The hummingbird can travel as fast as 60 miles an hour.

Scientists believe that ants gradually developed from wasps more than ten million years ago.

The arctic tern makes a flight of about 11,000 miles twice a year.

## Curb-Side Recycling in Kendrick each Thursday morning

In cooperation with the City of Kendrick, Dave Dean of Davey's Recycling, will be in Kendrick each Thursday morning to pick up recyclible items if placed at the curbside.

Here is what is being accepted at this time:

- Newsprint
- Magazines
- Cardboard (corrugated & uncorrugated)
- Clear Glass
- Tin Cans
- Aluminum Can
- Plastics No. 1, No. 2 & Milk Jugs

THE FOLLOWING IS SUGGESTED:

- Please don't use plastic bags for recyclibles.
- Please have items out by 7:30 a. m. Thursdays
- It would help if you would rinse all cans and make sure they are empty. You do not have to take the labels off.
- Cardboard must be flattened. It would be very space saving if everything else was also flattened.

THANK YOU VERY MUCH

### Local News Of Kendrick

Sunday Judy Callison attended a quilt class in Moscow.

Friday Marilyn Eichner drove to Pullman where Barbara Taylor joined her on a trip to Sisters, Oregon where they attended the Sisters Quilt Show. There were 800 quilts displayed at the show, which was an outdoor event. They returned home Sunday afternoon. Bud and Marilyn attended the birthday party for Roberta Bingham Sunday afternoon. Monday Bud and Jon Eichner fished at Dworshak Reservoir.

Rick and Julie Candler and girls of Lolo, Mont., visited with Jim and Hazel Candler Wednesday. They were camping at Freeman Creek and stopped by. Chad Schuit of Lewiston was a Saturday caller. On Sunday Charlie and Effie Candler of Lewiston and Ron and Jimi Kay Mael of Bovill visit Sunday.

Fred and Betty Arnett were among those attending the birthday party for Roberta Bingham Sunday.

Visitors during the week at the home of Elma Hazeltine were Tom Perrigo and Hulda Clemenhagen.

Friday evening Cindy and Don Black and Doris Parker of Seattle arrived to visit John and Glayds Wilson. Cindy and Don left for home Sunday but Doris is staying on for while longer to visit her family in the area.

Friday Albin Nelson visited Hulda Clemenhagen.

Resi Brown was among those in attendance at a birthday party for Carly Taylor Sunday at the home of Mary Lou and Dale Taylor.

Saturday afternoon Joyce Clemenhagen drove to Hayden where she spent the weekend with Marilyn McCullum. Monday they attended a post office training session in Post Falls. Joyce returned home Monday evening.

Hazel Candler, Peggy Bateman and Helen Heidenreich prepared the meal which was served to those attending Roberta Bingham's birthday party Sunday at the V. F. W.

Helen Heidenreich and Esther Schreffler attended the reception Saturday in Clarkston honoring Art Kammer's 90th birthday. Bob and Helen were among those attending Roberta Bingham's 80th birthday party Sunday at the V. F. W. Hall.

The Trailblazers met July 8 and many of the group presented their demonstrations. Aug. 8 the club will have its annual farm tour of member's home and see their project.

The Latah County Horse Show was held July 13. Congratulations to Joanna Brammer for winning a blue in "Horses Are Fun" project.

Tom Marek judged the Nez Perce County 4-H Horse Show Trail Class event July 12 at Lewiston.

Don and Ula Cantril visited with Fred and Betty Arnett on Tuesday.

Saturday Pete and Clara Ware visited with Amelia and James Reeves in Orofino. They took a drive up the South Fork of the Clearwater River to Elk City and the village of Clearwater. It was a good day and beautiful scenery. They stopped for dinner in Kamiah.

Esther Shreffler had lunch with her daughter Doris Hanson and Tiffany Henson Monday.

### Beware of the Yellow Pages—Nationwide Edition

By Ron Johnson  
4Profit Advertising & Marketing

Each year businesses receive letters from Nationwide-Yellow Pages that resemble an invoice. An outcry from businesses has demanded that these companies quit this practice as it is seen as fraudulent or deceptive. In turn these companies print in large bold letters: "THIS IS NOT A BILL." Several of my clients ask me if they should pay these companies. The invoice-like letters appear like your listing in the local telephone directories, but they are not local but nationwide. These Yellow Pages companies, as there are more than one, do seem to print up these Nationwide-Yellow-Pages, but who uses them? Solicitors? Other Yellow Pages Publishers? I am not sure who does but I know that I do not and neither do most of the local population. Businesses get calls from several local and regional telephone directory publishers that are fully legitimate. Yellow page advertising can get real costly, as they are usually quoted in monthly installment payments and most businesses reach areas served by more than one directory. Though I do not endorse any one Yellow Pages publisher, I do recommend that businesses watch their Yellow Pages advertising bills carefully. Business-

### Trailblazers 4-H Members Keep Busy with Activities

Craig Coonrad and Silas Gilliam of Harvest States of Hermiston, Ore., recently gave a very informative clinic to the area 4-H members on beef fitting and showing. A potluck

es should ensure that what they are paying is indeed what they have agreed upon.

(Ron Johnson is the owner of 4Profit Advertising & Marketing of Moscow and Kendrick. They serve businesses and organizations in SW Washington and NC Idaho with advertising, marketing, web pages and graphic design.)
