Curb-Side Recycling in Kendrick each Thursday morning

In cooperation with the City of Kendrick, Dave Dean of Davey's Recycling, will be in Kendrick each Thursday morning to pick up recyclible items if placed at the curbside.

Here is what is being accepted at this time:

Newsprint **Magazines**

Cardboard (corrugated & uncorrugated) Clear Glass

Tin Cans

Aluminum Can

Plastics No. 1, No. 2 & Milk Jugs

THE FOLLOWING IS SUGGESTED:

- Please don't use plastic bags for recyclibles.
- Please have items out by 7:30 a.m. Thursdays • It would help if you would rinse all cans and make sure they are empty. You do not have
- to take the labels off. Cardboard must be flattened. It would be very space saving if everything else was also flattened.

THANK YOU VERY MUCH
